

# LEWISHAM COMMUNITY POLICE CONSULTATIVE GROUP

Working for a safer Lewisham for all

## Record of LCPCG Event

**Tuesday, 5 March 2013 7.00 pm**

Council Chamber - Civic Suite

### **Special LCPCG Interactive Event on Local Crime and Community Safety Priorities**

This event was hosted by the LCPCG to give Lewisham Council's Crime Reduction Service an opportunity to speak directly to members of the public as well as LCPCG members. Views were sought on what priorities should be put in place for the Safer Lewisham Partnership for the coming year, and also about what particular actions the public believe would be best to tackle these priorities.

Minutes are not available due to the interactive nature of the event. However, a number of staff from Lewisham Council's Crime Reduction Service were present and took notes of the various discussion groups. The LCPCG understands that these were fed back to management in order to inform priority setting and action plan development for the Safer Lewisham Partnership Board.
