### Lewisham Education Commission Progress Report

Councillor Hall queried the practical implications that would effect Sedgehill School and how the financial budgeting and deficit of schools within the borough will affect the Education Commission. He also brought into question, the climate of financial budgeting in Lewisham with DSG funding, and it's barring on the financial work of Commission.

The Executive Director for CYP's, Kate Bond, stated that as Sedgehill becomes an enforced academy, there is still a search for a suitable sponsor. The establishment of a school led partnership for the borough is something that the Commission hope will make sure that all academies still remain as part of the family of Lewisham schools, and that collaboration and co-operation continues

The Commission has already met with a number of representatives from the school sector, including primary and secondary schools, special school head-teachers and

governors to talk about how to establish a school improvement partnership, which is a process that is ongoing.

In regards to budget deficits, the Commission have a process that is done annually: - to call schools to account their deficit positions. It is challenging for secondary schools whose pupil numbers have changed- but this shouldn't have any restraint on the outcomes of the Education Commission. They are still continuing to address and action those and schools will undoubtedly need to take action to address the budget issues they are facing, and the Commission will work alongside them to deal with such issues.

Part of the activity for the group of representatives and teachers, working with representatives from the local authority, will be to understand and establish the basis for which the partnership will be set up. Other authorities and partnerships have done that on the basis of a subscription in effect. The Education Commission are waiting to find out what will happen nationally as the most recent government announcements were that the local authority responsibilities and funding for statutory school improvements would be removed by this time next year.

RESOLVED that:

- i. Officers be asked to develop a detailed response to the findings and recommendations alongside an action plan which would first be considered by CYP Select Committee; and
- ii. Any action plan to take forward the recommendations from the Education Commission Report be presented to the Children and Young People Select Committee for consultation.

# Agenda Item 2

OVERVIEW AND SCRUTINY (EDUCATION) BUSINESS PANEL		
<b>Report Title</b>	Declarations of Interests	
<b>Key Decision</b>		Item No. 2
<b>Ward</b>		
<b>Contributors</b>	Chief Executive	
<b>Class</b>	Part 1	Date: 1 November 2016

Members are asked to declare any personal interest they have in any item on the agenda.

## 1 Personal interests

There are three types of personal interest referred to in the Council's Member Code of Conduct :-

- (1) Disclosable pecuniary interests
- (2) Other registerable interests
- (3) Non-registerable interests

## 2 Disclosable pecuniary interests are defined by regulation as:-

- (a) Employment, trade, profession or vocation of a relevant person\* for profit or gain
- (b) Sponsorship – payment or provision of any other financial benefit (other than by the Council) within the 12 months prior to giving notice for inclusion in the register in respect of expenses incurred by you in carrying out duties as a member or towards your election expenses (including payment or financial benefit from a Trade Union).
- (c) Undischarged contracts between a relevant person\* (or a firm in which they are a partner or a body corporate in which they are a director, or in the securities of which they have a beneficial interest) and the Council for goods, services or works.
- (d) Beneficial interests in land in the borough.
- (e) Licence to occupy land in the borough for one month or more.
- (f) Corporate tenancies – any tenancy, where to the member's knowledge, the Council is landlord and the tenant is a firm in which the relevant person\* is a partner, a body corporate in which they are a director, or in the securities of which they have a beneficial interest.
- (g) Beneficial interest in securities of a body where:-

- (a) that body to the member's knowledge has a place of business or land in the borough; and
- (b) either
  - (i) the total nominal value of the securities exceeds £25,000 or 1/100 of the total issued share capital of that body; or
  - (ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the relevant person\* has a beneficial interest exceeds 1/100 of the total issued share capital of that class.

\*A relevant person is the member, their spouse or civil partner, or a person with whom they live as spouse or civil partner.

### (3) Other registerable interests

The Lewisham Member Code of Conduct requires members also to register the following interests:-

- (a) Membership or position of control or management in a body to which you were appointed or nominated by the Council
- (b) Any body exercising functions of a public nature or directed to charitable purposes, or whose principal purposes include the influence of public opinion or policy, including any political party
- (c) Any person from whom you have received a gift or hospitality with an estimated value of at least £25

### (4) Non registerable interests

Occasions may arise when a matter under consideration would or would be likely to affect the wellbeing of a member, their family, friend or close associate more than it would affect the wellbeing of those in the local area generally, but which is not required to be registered in the Register of Members' Interests (for example a matter concerning the closure of a school at which a Member's child attends).

### (5) Declaration and Impact of interest on member's participation

- (a) Where a member has any registerable interest in a matter and they are present at a meeting at which that matter is to be discussed, they must declare the nature of the interest at the earliest opportunity and in any event before the matter is considered. The declaration will be recorded in the minutes of the meeting. If the matter is a disclosable pecuniary interest the member must take no part in consideration of the matter and withdraw from the room before it is considered. They must not seek improperly to influence the decision in any way. **Failure to declare such an interest which has not already been entered in the Register of Members' Interests, or participation where such an interest exists, is liable to prosecution and on conviction carries a fine**

### **of up to £5000**

- (b) Where a member has a registerable interest which falls short of a disclosable pecuniary interest they must still declare the nature of the interest to the meeting at the earliest opportunity and in any event before the matter is considered, but they may stay in the room, participate in consideration of the matter and vote on it unless paragraph (c) below applies.
- (c) Where a member has a registerable interest which falls short of a disclosable pecuniary interest, the member must consider whether a reasonable member of the public in possession of the facts would think that their interest is so significant that it would be likely to impair the member's judgement of the public interest. If so, the member must withdraw and take no part in consideration of the matter nor seek to influence the outcome improperly.
- (d) If a non-registerable interest arises which affects the wellbeing of a member, their, family, friend or close associate more than it would affect those in the local area generally, then the provisions relating to the declarations of interest and withdrawal apply as if it were a registerable interest.
- (e) Decisions relating to declarations of interests are for the member's personal judgement, though in cases of doubt they may wish to seek the advice of the Monitoring Officer.

### **(6) Sensitive information**

There are special provisions relating to sensitive interests. These are interests the disclosure of which would be likely to expose the member to risk of violence or intimidation where the Monitoring Officer has agreed that such interest need not be registered. Members with such an interest are referred to the Code and advised to seek advice from the Monitoring Officer in advance.

### **(7) Exempt categories**

There are exemptions to these provisions allowing members to participate in decisions notwithstanding interests that would otherwise prevent them doing so. These include:-

- (a) Housing – holding a tenancy or lease with the Council unless the matter relates to your particular tenancy or lease; (subject to arrears exception)
- (b) School meals, school transport and travelling expenses; if you are a parent or guardian of a child in full time education, or a school governor unless the matter relates particularly to the school your child attends or of which you are a governor;
- (c) Statutory sick pay; if you are in receipt
- (d) Allowances, payment or indemnity for members
- (e) Ceremonial honours for members
- (f) Setting Council Tax or precept (subject to arrears exception)
