### 3. DRAFT PENSION FUND ACCOUNTS

- 3.1 The Council as an administering authority under the Local Government Pension Scheme Regulations, is required to produce a separate set of accounts for the schemes financial activities and assets and liabilities.
- 3.2 The contents and format of the accounts are determined by statutory requirements and mandatory professional standards as established by the Chartered Institute of Public Finance (CIPFA) in their Statement of Recommended Practice (SORP).
- 3.3 The Pension Fund Accounts will be subject to a separate audit by the Council's external auditors, Grant Thornton, which must be completed by the 30 September 2013.
- 3.4 There is a related requirement for Councils to publish an annual report which incorporates elements of the financial accounts, before the 1 December 2013. This document will be the subject of a further report to this Committee when the audit is complete.

3.5 The accounts comprise two main statements with supporting notes. The main statements are:

- Dealings with Members Employers and Others which is essentially the Fund's revenue account
- The Net Assets Statement which can be considered as the Fund's balance sheet

3.6 The 'Dealings with Members Employers and Others' sets out the movement in the net worth of the Fund in the year by analysing the relevant financial transactions and movements in the market value of the investment portfolio.

The statement has two main sections:

- The financial transactions relating to administration of the Fund.
- The transactions relating to its role as an investor.

3.7 The administration section principally relates to the receipt of contributions from employers and active members and the payment of pensions. This section indicates that the Fund is cash negative, in that the benefits payable, exceed the contributions receivable by £3.9m.

3.8 The investment section details the income received from the investment portfolio and the impact of managers activities and investment markets on the value of investments.

3.9 The section indicates that the value of investments has increased by £90m as a result of improved conditions in investment markets. The performance of the portfolio and the investment is the subject of another report elsewhere on this agenda.

3.10 The net asset statement represents the net worth of the Fund as the 31 March 2013. The statement reflects how the transactions outlined in the other statement have impacted on the value of the Fund's assets.

3.11 Members should note that these accounts are draft and may be subject to change between now and the final sign off by the Chief Financial Officer. Any such changes will be detailed in working papers for presentation to the Council's external auditors, Grant Thornton.
