

Mayor and Cabinet			
Title	Comments of the Sustainable Development Select Committee on air quality		
Contributor	Sustainable Development Select Committee	Item No.	
Class	Part 1	Date	19 June 2013

1. Summary

This report informs the Mayor and Cabinet of the comments and views of the Sustainable Development Select Committee, arising from discussions held on the officer report entitled *air quality action plan*, considered at its meeting on 1 May 2013.

2. Recommendation

The Mayor is recommended to note the views of the Sustainable Development Select Committee as set out in section three of this referral and agree that the Executive Director for Customer Services be asked to respond.

3. Sustainable Development Select Committee views

- 3.1 On 1 May 2013, the Sustainable Development Select Committee considered a report on air quality. The Committee supports the Council's efforts to monitor and improve air quality. It acknowledges that officers in Sustainable Resources, Environment, Highways and Transport are working together to support this work. However, the Committee believes that partnership working could also be strengthened and broadened to include relevant housing providers and local assemblies.

4. Financial implications

There are no financial implications arising out of this report per se; but there may be financial implications arising from carrying out the action proposed by the Committee.

5. Legal implications

The Constitution provides for Select Committees to refer reports to the Mayor and Cabinet, who are obliged to consider the report and the proposed response from the relevant Executive Director; and report back to the Committee within two months (not including recess).

6. Further implications

At this stage there are no specific environmental, equalities or crime and disorder implications to consider.
