

Housing Select Committee			
Title	Select Committee Work Programme	Item	6
Contributor	Scrutiny Manager		
Class	Part 1	Date	19 June 2013

1 Purpose

- 1.1 To advise Members of the Select Committee of the work programme for the municipal year 2013/14.

2 Summary

- 2.1 At the beginning of the municipal year, each select committee drew up a draft work programme for submission to the Business Panel for consideration.
- 2.2 The Business Panel considered the proposed work programmes of each of the select committees on 14th May 2013 and agreed a coordinated overview and scrutiny work programme. However, the work programme is a “living document” and as such it can be reviewed at each select committee meeting so that Members are able to include urgent, high priority items and remove items that are no longer a priority.

3 Recommendations

- 3.1 The Select Committee is asked to:

- note the work programme and project plan attached at **Appendix B** and discuss any issues arising from the programme;
- specify the information and analysis required in the report for each item on the agenda for the next meeting, based on desired outcomes, so that officers are clear on what they need to provide;
- note all forthcoming executive decisions, attached at **Appendix C**, and consider any key decisions for further scrutiny.

4. The work programme

- 4.1 The work programme for 2013/14 was agreed at the meeting of the Committee held on 03rd April 2013.
- 4.2 The Committee is asked to consider if any urgent issues have arisen that require scrutiny and if any existing items are no longer a priority and can be removed from the work programme. Before adding additional items, each item should be considered against agreed criteria. The flow chart attached at **Appendix A** may help Members decide if proposed additional items should be added to the work programme. The Committee’s work programme needs to be achievable in terms of the amount of meeting time available. If the Committee agrees to add additional item(s) because they are urgent and high priority, Members will need to consider which medium/low priority item(s) should be removed in order to create sufficient capacity for the new item(s).
