

| Sustainable Development Select Committee |                          |                  |   |
|--|--------------------------|------------------|---|
| Title                                    | Business growth strategy | Item             | 6 |
| Contributor                              | Scrutiny Manager         |                  |   |
| Class                                    | Part 1 (Open)            | 10 December 2013 |   |

### **Purpose**

The Committee has resolved to carry out pre-decision scrutiny of the Council's *business growth strategy 2013-2023*, which is due to be considered by Mayor and Cabinet on 15 January 2014. The Mayor and Cabinet report and business growth strategy are attached.

### **Recommendation**

The Committee is recommended to consider the content of the strategy and direct questions and comments to officers from the Council's economic development team, who will be at the meeting on 10 December.
