

2014 / 16 NEW REVENUE BUDGET SAVINGS PROPOSALS being considered by the Mayor

Ref	Service	Proposal Narrative	2014/15 £'000s	2015/16 £'000s	Total Saving £'000s
CYP01	PERFORMANCE	CYP Performance Service provides statutory data collections, data analysis, performance reporting to the Children and Young People's Strategic Partnership Board (CYPSPB), Lewisham Safeguarding Children Board (LSCB), DMT, Directorate Services, with particular emphasis on Children's Social Care and School Improvement. The implementation of the replacement corporate software for monitoring and reporting performance should result in fewer administrative processes to produce the monthly and annual performance data reports. This is expected to result in a saving of one post with an estimated value of £50k.	50.0		50.0
CYP03	EARLY YEARS	The Early Years Improvement Team provides advice, support and training for practitioners working with children in the Early Years Foundation Stage in the maintained and non-maintained sector. It is proposed to make a saving on £58k through a review of work. Local authorities are required to make arrangements to secure that early childhood services in their area are provided in an integrated way that facilitates access to services and maximises the benefits to children, parents and prospective parents. Early years providers providing early years for which they are registered under the Childcare Act 2006 (or would be required to register but for being exempted) are required to ensure compliance with the "Early Years Foundation Stage". The proposed review of work in this area will have to ensure that sufficient advice, support and training will be available to ensure early years providers comply with their requirements to deliver the "Early Years Foundation Stage".	58.0		58.0

CYP04	LOOKED AFTER CHILDREN EDUCATION TEAM	The Looked After Children Education Team oversees the education of Looked After Children, including providing tuition to support their learning, support in transition from primary to secondary school, and peer mentoring. The team also ensure that destinations data is collected to monitor pathways and ensure the right support is provided to individuals. Most of the funding is provided through the Dedicated Schools Grant (£200k) although there is a contribution of £62k to the service from the General Fund. In future all costs will be contained within the Dedicated Schools Grant.	62.0		62.0
CYP05	BUSINESS SUPPORT, PLACEMENTS & PROCUREMENT	Business Support within Children's Social Care providers administrative support for all the services in the division. These are Referral & Assessment; Family Social Work; Looked After Children; Adoption; Leaving Care; Fostering; Placements & Procurement; Quality Assurance; and Children with Complex Needs. As well as the Business Support teams based in the front line services, there are currently 2 specialist teams providing centralised functions in compliance with separation of duties under Financial Regulations. This contributes to safeguarding functions by freeing up and supporting Social Workers to concentrate on direct work with vulnerable children and families. A review of business support across the Children's Social Care Division is being undertaken to examine the opportunities for reshaping current activities and identifying opportunities for sharing resources with other support teams in the Council such as Finance and Adult Social Care. These are in addition to the savings in the previous two years of £575k.	100.0	50	150.0
CYP06	LOOKED AFTER CHILDREN, LEAVING CARE & ADOPTION SERVICE	The leaving care team currently works with children looked after from the age of sixteen. We propose to make savings and improve the performance of the service by changing the way the service functions. Currently there are three Looked after Children's Teams that work with looked after children from roughly the age of 5 to 16 at which point they transfer to one of three Leaving Care Teams who provide support as the young person leaves care and onwards until they are 21 (or 25 if they are in full time education). Feedback from the Children in Care Council is that they would prefer not to have the change of worker at the age of 16. We are therefore proposing to have Looked after Children Teams that will take young people through to 25 where required. We can achieve this with 5 teams and delete one team manager post. The staff from that team will be spread out amongst the remaining teams.	0.0	100.0	100.0

CYP07	CONTACT	<p>We are required by legislation to provide contact between some parents and their children who have been removed from their care. Some of these contacts need to be supervised and most of which are ordered by the courts. The Supervised Contact is provided in a safe place due to risks that the parent may still pose to the child. There is a requirement in many instances for birth parents to have contact with their children in Local Authority care. Contact will often be in secure environments, as some parents have difficult and challenging behaviour. We currently use specialist agencies to carry out this contact, who charge for premises. It is proposed to use Council premises in the future which will mean we will save on the cost of premises hire and/or alternatively negotiate significant reduction in room hire and other costs. This is in addition to the previous savings of £200k in 2013/14 and already offered for 2014/15. The proposed saving relates to a reduction in costs of premises where the service is located. Any new competitive procurement would seek bids which could reduce this cost.</p>	0.0	50.0	50.0
CYP08	ADOPTION SERVICE	<p>The Adoption Support Team provide services and advice to families to assist them through the process of adoption and as required by legislation provide contact between some parents and their children who have been removed from their care. We are currently implementing the Government reforms on adoption. The reforms included an equalisation of the assessment fee to £27k. Historically the adoption service has not targeted Lewisham families for adoption as many Lewisham LAC cannot be placed in the borough in close proximity to their birth families. The equalisation and reform grant monies mean we now have capacity to recruit surplus adopters, including Lewisham based adopters, that other Local Authorities and Adoption agencies can use. We anticipate that this will generate income for Lewisham. £50k represents two additional assessments.</p>	50.0		50.0
CYP09	FAMILY SOCIAL WORK	<p>Meliot Road is a family centre that provides support to vulnerable families and Court reports as part of care proceedings. It is planned to sell surplus capacity to other London boroughs. Where the Council sells surplus capacity to other London Boroughs, officers must ensure that there are appropriate contractual arrangement in place to cover such arrangements.</p>	15.0		15.0

CYP10	EARLY INTERVENTION	This budget covers delivery of the Family Information Service which provides a directory that covers early years and childcare, employment and training, health, housing, safety and other issues. The database has been brought in house and the cost has therefore reduced.	45.0		45.0
CYP11	EARLY INTERVENTION	Targeted Family Support contract - the commissioned Targeted Family Support contract provides support to vulnerable families. Through better commissioning arrangements savings can be made as we have managed the current Targeted Family Support contract to deliver to a lower value than initially set aside for the contract. This saving does not reduce the number of families who will receive support from the service, but does reduce the unit costs.	100.0		100.0
CYP12	ATTENDANCE & WELFARE	Attendance and Welfare Service - Parents have a legal responsibility to ensure that their child is attending school regularly. The service works closely with families, schools and other agencies to improve school attendance. Failure to attend school regularly could result in the Council taking legal action. Magistrates can also impose a Parenting Order, requiring parents or carers to attend counselling or guidance sessions for a period of up to three months. A full re-organisation of the service was proposed in the last budget round, including de-layering of management as well as considering the caseloads of staff and the areas of work that have the greatest impact on absence. Savings of £200k have already been agreed. It will become a traded service for non-statutory elements. A further saving is now believed possible to make. The total saving is £500k or 50% of the original budget (£1,087k), taking expenditure into line with our statistical neighbours.	100.0	200.0	300.0
CYP13	YOUTH SERVICE	The Youth Service has been reorganised and provides directly and through commissioning a range of services supporting young people in the borough aged 8-19, up to 25 with LDD covering:· 1:1 intensive support for young people with identified vulnerabilities, Issue based group work for specific vulnerable groups, Street based youth work and Access to positive activities through fun and vibrant places to go and things to do. With activities targeted at young people at the greatest risk of poor life outcomes. All services are aimed at achieving impact for young people of:· Improved life skills· Increased involvement in education, employment or training, Staying safe and well, and	100.0		100.0

		preventing needs from escalating. It is now proposed to reduce the commissioned work for youth by a further £100k from the currently allocated £965k.			
CYP14	SERVICES TO SCHOOLS	Service Level agreements are offered by the council to schools and cover a variety of support services. Schools pay for these services from their delegated formula budgets. The services continue to trade successfully with schools and are increasing the value of services they are selling. It is proposed to increase the range of charges to schools and to ensure that all services to schools by the council are achieving the 15% overheads recovery.	75.0	75.0	150.0
CYP15	COST REDUCTIONS	The Directorate has been operating a Departmental Expenditure Panel (DEP) for two years in order to challenge the need for all proposed expenditure. The departmental expenditure panel consists of the Executive Director of Children of Young People and the Directorate's Head of Resources. It approves all expenditure that is incurred within the Directorate before it is committed unless it is an emergency or is for a social care / special educational needs placement. This has already resulted in in-year savings through stopping expenditure or budget holders deciding it is no longer appropriate to undertake expenditure in these austere times. It is proposed now to take out of the budget the savings that have been delivered in the past through this process.	216.0		216.0
