

Sustainable Development Select Committee			
Title	Select Committee work programme	Item: 7	
Contributor	Scrutiny Manager		
Class	Part 1 (open)	Date	4 February 2014

1. Purpose

- 1.1 To advise Members of the Select Committee of the work programme for the municipal year 2013/14.

2. Summary

- 2.1 At the beginning of the municipal year, each select committee drew up a draft work programme for submission to the Business Panel for consideration.
- 2.2 The Business Panel considered the proposed work programmes of each of the select committees on 14 May 2013 and agreed a coordinated overview and scrutiny work programme. However, the work programme is a 'living document' and as such it can be reviewed at each select committee meeting so that Members are able to include urgent, high priority items and remove items that are no longer a priority.

3. Recommendations

- 3.1 The Select Committee is asked to:

- note the work programme and project plan attached at **Appendix B** and discuss any issues arising from the programme;
- specify the information and analysis required in the report for each item on the agenda for the next meeting, based on desired outcomes, so that officers are clear on what they need to provide;
- note the programme of business, attached at **Appendix C**, and consider any business for further scrutiny.

4. The work programme

- 4.1 The work programme for 2013/14 was agreed at the meeting of the Committee held on 1 May 2013.
- 4.2 The Committee is asked to consider if any urgent issues have arisen that require scrutiny and if any existing items are no longer a priority and can be removed from the work programme. Before adding additional items, each item should be considered against agreed criteria. The flow chart attached at **Appendix A** may help Members decide if proposed additional items should be added to the work programme. The Committee's work programme needs to be achievable in terms of the amount of meeting time available. If the Committee agrees to add

additional item(s) because they are urgent and high priority, Members will need to consider which medium/low priority item(s) should be removed in order to create sufficient capacity for the new item(s).

5. The next meeting

5.1 The following reports are scheduled for the next meeting (12 March 2014):

Agenda item	Review type	Link to priority	Priority
Parking policy	Performance monitoring	Clean, green and liveable; inspiring efficiency, effectiveness and equity	Medium
Climate Local, ECO, Sustainable Resources	Standard review	Clean, green and liveable;	Medium
Parks and street trees	Standard item	Clean, green and liveable; healthy active citizens	Medium
Implementation of the street lighting contract	Performance monitoring	Clean, green and liveable; inspiring efficiency, effectiveness and equity	Low

5.2 The Committee is asked to specify the information and analysis it would like to see in the report for each item, based on the outcomes the committee would like to achieve, so that officers are clear on what they need to provide for the next meeting.

6. Legal implications

In accordance with the Council's Constitution, all scrutiny select committees must devise and submit a work programme to the Business Panel at the start of each municipal year.

7. Further implications

There are no financial, equalities, crime and disorder or sustainability implications arising from the implementation of the recommendations in this report. However, there may be further implications arising from items on the work programme and all activities undertaken by the Select Committee will need to give due consideration to this.

8. Date of next meeting

The date of the next meeting is Wednesday 12 March 2014
