

Addendum to Select Committee Work Programme Report.

The table below lists the Council Priorities and the 45 related actions that were outlined as Manifesto Commitments by the Mayor and Labour party in Lewisham in the run up to the May 2014 local elections. If scrutiny was to be undertaken, of any of the areas highlighted as manifesto commitments, the third column highlights the most appropriate select committee to carry out that work.

| Council priorities | Manifesto commitments | Potential Select Committee |
|---|--|----------------------------|
| community leadership and empowerment | <ul style="list-style-type: none"> • support the voluntary and community sector and work with them to provide services that support the council and other public services • support local people in having a say in developing policies that directly impact on neighbourhoods through the borough's Local Assembly and Young Mayor Programmes • continue to work with people of every background – race, gender, age, sexual orientation, disability or faith to ensure they can meet the challenges of discrimination | Safer Stronger |
| young peoples achievement and involvement | <ul style="list-style-type: none"> • secure improved results for secondary school pupils with a further 10% rise in the number of children getting five good GCSEs including English and maths by 2018 • ensure that young people continue to study English and maths up to the age of 18 as preparation for apprenticeships, further study or skilled work • increase the number of apprenticeships to 1,000 by 2018 and help young people through the provision of high quality vocational training • make schools account for their use of the Pupil Premium funding to support children on free school meals • continue to provide a primary school place for every child in Lewisham | Children and Young People |
