

## **Residential Contact List**

Over the past three months, Forest Hill Safer Neighbourhood's Team has been visiting residents on the ward as part of a Community Engagement Strategy. We have been asking our residents to provide their contact details and e-mail address in order to facilitate a two-way communication process.

The purpose of this system is to enable us to send 'Crime Alerts' to registered members in order to keep you updated on crime trends in your area and ways in which you can protect yourself and your property. We also utilise this method of communication to send out newsletters and witness appeals for incidents that happen within the locality.

We are now trying to encourage **ALL** of our residents within the ward of Forest Hill to join this scheme to help improve the levels of communication between us and to reduce the risk of crime in our community.

**We called at your address today to speak with you in person about the contact list, but unfortunately you were not available.**

If you are interested in registering for this scheme, please e-mail your personal details as shown on the reverse side of this letter to us at the following address.

Email - [ForestHill.snt@met.police.uk](mailto:ForestHill.snt@met.police.uk)

**The information you provide will only be used for a policing purpose. We will not pass your details on to any other organisation and will remove you from the distribution list at any time you ask us to.**

Should you require any further information, please do not hesitate to contact us on 020 8721 2723 or email Forest Hill SNT at the address above.

Regards

Michael Hill PC 195PL  
Forest Hill SNT
