

Mayor and Cabinet		
Title	Comments of the Sustainable Development Select Committee on the Asset Management Strategy (Highways)	
Contributor	Sustainable Development Select Committee	Item 7
Class	Part 1 (open)	22 April 2015

1. Summary

- 1.1 This report informs the Mayor and Cabinet of the comments and views of the Sustainable Development Select Committee, arising from discussions held on the Asset Management Strategy (Highways) report, considered at its meeting on 16 April 2015.

2. Recommendation

- 2.1 Mayor and Cabinet is recommended to note the views of the Select Committee as set out in this report and ask the Executive Director for Resources and Regeneration to respond.

3. Sustainable Development Select Committee views

- 3.1 On 16 April 2015, the Sustainable Development Select Committee considered a report entitled Asset Management Strategy (Highways).

- 3.2 The Committee resolved to advise Mayor and Cabinet of the following:

- The Committee enquired about shop front licensing, which team had responsibility for issuing the licenses, and what could be done to increase income in this area.
- The Committee asked whether the Highways and Licensing Teams could coordinate their work to help improve income from shop front licensing.

- 3.3 Therefore, the Select Committee recommends that:

The Mayor reviews the Asset Management Strategy (Highways) and ensures it is aligned with Lewisham's commercial revenue from shop front licensing; and that the Council is maximising income where appropriate.

4. Financial implications

- 4.1 There are no financial implications arising out of this report per se; but there are financial implications arising from carrying out the action proposed by the Committee.

5. Legal implications

- 5.1 The Constitution provides for Select Committees to refer reports to the Mayor and Cabinet, who are obliged to consider the report and the proposed response from

the relevant Executive Director; and report back to the Committee within two months (not including recess).

6. Further implications

- 6.1 At this stage there are no specific environmental, equalities or crime and disorder implications to consider. However, there may be implications arising from the implementation of the Committee's recommendations.
