Lewisham Careers Guidance Peer Review 2015-16

Purpose

To support senior leaders, managers and governors in schools and colleges to meet their statutory duty to secure independent careers guidance for all year 8-13 learners. The guidance is intended to expand advice and guidance for young people so they are inspired and motivated to fulfil their potential. Schools should help every learner develop high aspirations and consider a broad and ambitious range of careers. Inspiring every learner through more real-life contacts with the world of work can help them understand where different choices can take them in the future.

Schools should have a strategy for the careers guidance they provide to young people. The strategy should be embedded within a clear framework linked to outcomes for learners. This should reflect the school's ethos and meet the needs of all learners. Schools should consider the following principles for good practice when developing their strategy:

In Lewisham, the Local Authority will continue to support and monitor schools and colleges to deliver this duty and still retains the duty to support vulnerable young people which includes Looked after Children, Care Leavers, Teenage Pregnant, Teenage Parent, Refugee / Asylum seekers, Youth Offenders, LLDD, Substance Misuse and Young Carers.

This role will become increasing important in relation to the duties of the Raising the Participation Age. Ofsted has been giving careers guidance a higher priority in school inspections since September 2013, taking into account how well the school delivers advice and guidance to all learners in judging its leadership and management.

Context

The Education Act 2011requires schools to secure **access to independent careers guidance** for learners in **years 8-13**.

Careers guidance must be presented in an **impartial manner** and promote the best interests of the learners to whom it is given.

Post-14: GCSEs; options offered by local university technical colleges and studio schools, opportunities for 14 year old enrolment at local colleges.

Post-16: A levels, advanced general qualifications, apprenticeships, employment combined with training, supported internships, tech levels and traineeships.

Post-18: further education courses, higher apprenticeships, undergraduate degrees.

Schools will be held to account for the **destinations of their leavers** through the annual publication of **Destination Measures**. Success will be reflected in higher numbers progressing to apprenticeships, universities – including selective universities, traineeships, and other positive destinations such as employment or a further education college.

Sources:

- Statutory guidance, Careers guidance provision for young people in schools, Department for Education, 25th March 2015 https://www.uk/government/publications/careers-guidance-provision-for-young-people-in-schools
- 2. London Ambitions: Shaping a successful careers offer for all young Londoners

 http://www.londoncouncils.gov.uk/sites/default/files/Policy%20themes/Children%20and%20young%20people/Shaping Report Interim 19 June SP.pdf

Also the **London Ambitions Portal** should enable more schools and colleges to easily find high-quality careers provision designed to support the career development of all young Londoners.

Careers Guidance – strategic direction	
Is careers guidance a formal part of the mission and / or strategy of your school or college?	
Is there an explicit publicised careers policy and	
Careers Curriculum on young people's experiences of	
the world of work, links with business, careers	
provision and destination outcomes?	
Has there consideration for developing	
 'careers clusters' to share resources in improving awareness of London's labour market and supporting 	
school and college leaders in a whole-school approach	
to plan and deliver careers provision.	
Do a senior leader and a governor have responsibility for	
championing careers work? Does the governing body	
provide clear advice to the Headteacher on a strategy for	
careers Guidance?	
 Are the Chair of governors and the governing body aware of 	
the importance of careers work, including the statutory duty	
relating to careers guidance?	
Is there a governor with oversight for ensuring the	
organisation supports all students to relate their	
learning to careers and the world of work?	
Are Senior leaders and Governors aware that Ofsted	
inspectors will take account of the quality of independent	
careers guidance and of learners' destinations in making	
their judgement on the leadership and management of the school and, if applicable, a separate judgement on the sixth	
form.	
How has the school / college identified resources and	
undertake necessary commissioning to deliver impartial and	
independent careers guidance for learners in years 8 to 13?	
Is the careers coordinator is a member of the senior	
management team?	
Do the school / college seek the views of learners on the	

content, design and delivery of careers work via established forums?	
 Is there a clear and coherent strategy for careers work 	
across the key stages, subject departments and staff	
delivering careers support?	
 Is destination data used to monitor the choices made by 	
learners at the end of Year 11 and Year 13?	
 Is careers work integrated across the curriculum (this may 	
require a curriculum audit)?
