St Bartholomews	Sara Sanbrook-Davies
Ann Wallace	Kaleidoscope
Councillor Paul Maslin	Members
Warrick Tomsett	Head of Commissioning Strategy & Performance
Eyvonne Browne	
Janita Aubun	Clerk

#### **4. Changes to Services to Schools**

Forum was presented with a report detailing proposed changes to traded services and charges for the music and attendance & welfare services.

A final report on Traded Services is to be brought to Schools Forum in March 2016 or the nearest forum to that date.

Mayor and Cabinet made a decision last night to agree Youth Services savings to a total of £300k by end 2017/18 as part of agreeing to establish a youth staff mutual.

Regarding music charges, Forum were advised of the late announcement from the Arts Council England, that the DFE is 'protecting funding that goes directly to music hubs to spend on music education'. Also 'further details will follow in due course'.

- Recommendation to increase the charges to schools for all existing SLAs by 2.5% above the rate of inflation, and this was agreed.
- Recommendation to increase the proportion of activity traded with schools and reduce the cost of core services, and this was agreed.
- Forum noted the position on music charges.
