1. **Purpose**

To advise Members of the proposed work programme for the municipal year 2017/18 and to decide on the agenda items for the next meeting.

2. **Summary**

2.1 At the beginning of the new municipal year, each select committee drew up a draft work programme for submission to the Business Panel for consideration.

2.2 The Business Panel considered the proposed work programmes of each of the select committees on 22 May 2017 and agreed a co-ordinated overview and scrutiny work programme. However, the work programme can be reviewed at each Select Committee meeting so that Members are able to include urgent, high priority items and remove items that are no longer a priority.

3. **Recommendations**

3.1 The Committee is asked to:

- note the work plan attached at Appendix B and discuss any issues arising from the programme;
- specify the information and analysis required in the report for each item on the agenda for the next meeting, based on desired outcomes, so that officers are clear about what they need to provide;
- review all forthcoming key decisions, attached at Appendix C, and consider any items for further scrutiny;

4. **The work programme**

4.1 The work programme for 2016/17 was agreed at the Committee’s meeting on 26 April 2017.

4.2 The Committee is asked to consider if any urgent issues have arisen that require scrutiny and if any existing items are no longer a priority and can be removed from the work programme. Before adding additional items, each item should be considered against agreed criteria. The flow chart attached at Appendix A may help Members decide if proposed additional items should be added to the work programme. The Committee’s work programme needs to be achievable in terms of the amount of meeting time available. If the Committee agrees to add additional item(s) because they are urgent and high priority, Members will need to consider
which medium/low priority item(s) should be removed in order to create sufficient capacity for the new item(s).
