What are the reasons for your views?

None specified

These schools should be amalgamated, better continuity of care, better financial management/use of funds, more likely to find a good head teacher

Primary schools should be for all of 3-11year olds, attainment is much better as a result.

What are the reasons for your views?

The junior school has been deteriorating for the last three years due to some very unsuccessful partnerships. Last year in particular was catastrophic with the Rathfern partnership meaning we lost nearly our entire faculty. Nothing that was good about the school remains so allow the outstanding leadership at the Infants My Children attend the school.
