The Crime, Enforcement and Regulation Service seeks an application for review of the premises referred to as Exotic Bites, 313 New Cross Road, London, SE14 6AS via s151 of the Licensing Act 2003 as a consequence of the aforementioned service routinely failing to safeguard key licensing objectives most notably the prevention of crime and disorder as well as the prevention of public nuisance.

Initial concerns with regard to noise nuisance originating from the premise were raised in August 2016, reports received culminated in The Crime, Enforcement and Regulation Service undertaking a visit to the premise on Sunday 28<sup>th</sup> August 2016, details of the visit are exhibited via DP/1.

On entry to the premise at approximately 00:15am my colleague Denis Savin and I noted the provision of regulated entertainment via recorded music, the sale of hot food after 23:00 and the sale and subsequent consumption of alcohol by a number of patrons within the premise. Additionally, Mr Habeeb Lawal, the owner of the business was informed of multiple offences in relation to s136 of The Licensing Act 2003 (Unauthorised Licensable Activity) as at the time of the visit the premise was not in receipt of a Premises Licence and had not obtained prior authorisation via the application of a Temporary Event Notice.

Nevertheless, with the observation amounting to a first offence in line with Lewisham Council's Enforcement Policy in relation to Regulatory Functions it was considered necessary to pursue measures to assist Mr Lawal in obtaining a Premises Licence. Furthermore, Mr Lawal was invited to meet with the aforementioned service and was subsequently assisted in applying for a number of Temporary Event Notices as a means of enabling the premise to provide licensable activity in the interim whilst applying for a premises licence.

Again Mr Lawal obtained further assistance from The Crime, Enforcement and Regulation Service in obtaining additional Temporary Event Notices over the Christmas and New Year (2016-17) period, whilst applying for a premises licence.

Nonetheless, during the application period the licensing authority mediated a representation made by Vivienne Rose, Deputy Director of Estates and Facilities at Goldsmiths University with regard to the premise routinely causing noise nuisance to students residing above the premise. The interested party made reference to several incidents whereby the security team at Goldsmiths University were called out to the premise as late as 03:05am as a means of having the venue turn down the music provided to customers.

The representation was resolved as to prevent further incidents of noise, Regulated Entertainment would cease at 00:00 on Friday and Saturday nights rather than until 02:00am Monday to Sunday as was initially applied for, on all other days the deregulation enabling regulated until 23:00hours as a consequence of The Live Music Act 2012 would apply. The amended hours of licensable activity intended to ensure that the students residing above the premise were no longer affected by noise nuisance.

#### **Actions since December 2017**

In response to further complaints of noise nuisance, The Crime, Enforcement and Regulation Service undertook a further compliance visit on Sunday 3<sup>rd</sup> December

2017 at approximately 03:00am an hour after permitted hours. My colleague Nadya Gencheva and I observed the continued provision of licensable activity in the form of continued alcohol sales, late night refreshment and ongoing Regulated Entertainment in the shape of recorded music, despite being three hours after the permitted hours of which music is to be played until.

Additionally, confirmation of the visit as is provided in DP/2 demonstrates numerous breaches of conditions as attached to Annex 2 of the existing premises licence. These included but are not limited to the failure on the part of the premise to operate CCTV on request, the absence of an incident log on the premise, failure to uphold the premises age verification policy, failure to join the Safer Lewisham Business Partnership and the failure on the part of the premise to ensure that drinks were consumed only with a substantial table meal. Additionally, officers observed several children on the premise at the time of the visit, in breach of Annex 2, Condition 7 of the premises licence.

Furthermore, DP/2 states a request made as a means of reviewing CCTV footage between the hours of 01:00am and 04:00am on the day of our visit. Nevertheless, the footage requested was never provided, amounting to an offence via Annex 2, Condition 1 of the premises licence.

However, despite officers visiting and observing offences in relation to The Licensing Act 2003 (s57/136/137) as well as breaches of the existing premises licence, The Crime, Enforcement and Regulation Service received a further complaint on behalf of Goldsmiths University providing a catalogue of complaints made on behalf of students residing within close proximity which had resulted in security personnel at the University in many instances having to visit the premise to request that the premises owner turns down the music provided. Details of the complaints logged are highlighted via DP/3.

On inspection of the noise catalogue detailed via DP/3, the times at which noise nuisance resulted in students making contact with the Security Team at Goldsmiths University would suggest that the premise had continued to facilitate the provision of regulated entertainment in the form of live music past the hours permitted via the premises licence, thus resulting in at least nine alleged incidents whereby the actions of the premise constituted a criminal offence via s136 of The Licensing Act 2003, in relation to unauthorised licensable activity;

1. Saturday 21<sup>st</sup> January 2017 – Report received at 03:06am
2. Sunday 29<sup>th</sup> January 2017 – Report received at 01:46am
3. Saturday 11<sup>th</sup> November 2017 – Report received at 03:15am
4. Sunday 24<sup>th</sup> December 2017 – Report received at 03:00am
5. Saturday 6<sup>th</sup> January 2018 – Report received at 02:18am
6. Saturday 13<sup>th</sup> January 2018 – Report received at 03:02am
7. Friday 26<sup>th</sup> January 2018 – Report received at 03:28am
8. Thursday 15<sup>th</sup> February 2018 – Report received at 02:25am
9. Saturday 3<sup>rd</sup> March 2018 – Report received at 03:26am

A subsequent search of promotional events confirms that two of the dates noted within the noise catalogue fell on dates whereby the premise had promoted events taking place, moreover events taking place on Saturday 6<sup>th</sup> January 2018 and Friday 26<sup>th</sup> January 2018 are confirmed via DP/4 & DP/5.

The adverse effect noise nuisance has had on residents residing within close proximity of the licensed premise is confirmed via several statements provided by

students. The accounts provided suggest that both residents have had to make alternative arrangements in relation to accommodation over the weekend in anticipation of the premises continuing to provide loud music to its customers.

Additionally, exhibits provided within DP/6 & DP/7 state that music exceeds 2am on a weekly occurrence usually ceasing between 03:00am and 04:00am. The statement of Hayley Sanger exhibited as DP/6 identifies further occasions whereby noise has been at its height and has culminated in the complainant seeking the assistance of the University whilst a promoted event has taken place, the complainant makes note of contact with the university on the following occasions whilst details of events taking place are exhibited also;

1. Thursday 15<sup>th</sup> February 2018– The event is documented via DP/8
2. Saturday 3<sup>rd</sup> March 2018 – As documented via DP/9
3. Saturday 10<sup>th</sup> March 2018 – As documented via DP/10
4. Saturday 17<sup>th</sup> March 2018 – As documented via DP/11

In response to the concerns raised, The Crime, Enforcement and Regulation Service approached Mr Lawal as provided within DP/12 requesting to meet with the gentleman to view CCTV as a means of corroborating claims made that the premise has continued to facilitate licensable activity after permitted hours.

Since this, the above mentioned service have visited to discuss the matter with Mr Lawal and have subsequently confirmed further breaches of the premises licence as described via DP/13 which include but are not limited to the failure to ensure 31 days of CCTV footage, an adequate age verification policy, the failure to provide an incident diary, continued failure to join the Lewisham Safer Business Partnership a lack of regard in relation to serving alcohol only with substantial table meals as well as noncompliance in relation to ensuring music is reduced to the level of background noise after permitted hours.

Mr Lawal was also required to provide evidence of sales in the absence of CCTV coverage, details of sales by card payment are provided via till receipts between July 2017 and 1<sup>st</sup> January 2018, DP/14 to DP/17, nonetheless since January 2018 the premise has moved to physically recording orders therefore times of sales are no longer recorded. However exhibits DP/14,15,16 & 17 highlight a selection of sales which demonstrate persistent sales after the permitted hours of licensable activity, thus suggesting that trading outside of the recognised hours an offence via s136 of The Licensing Act 2003 is commonplace.

It is worth noting that the above has occurred within a premise situated in an existing Cumulative Impact Zone, the establishment of the zone was at the time considered necessary as a means of safeguarding key licensing objectives. With this in mind the actions of the premise have fallen short of the expectations placed on a premise located within an active CIZ and has failed to ensure both the Protection of Crime and Disorder and the Protection of Public Nuisance.

### **Recommendations**

The Crime, Enforcement and Regulation Service considers the following measures appropriate as a means of ensuring the safeguarding of key licensing objectives. Additionally, it is hoped that the intended measures will address ongoing offences via the Licensing Act and will encourage the premise to finally take into account conditions imposed via its premises licence.

- **Removal of the Current Designated Premises Supervisor – Mr. Gazali Ajani Adeyemi**
- **Removal of Licensable Activity – Regulated Entertainment - Friday & Saturday 23:00 – 00:00**
- **Reduction of licensable activity (Hours) – Supply of Alcohol from Friday & Saturday 12:00 to 02:00am to 12:00 to 00:00am.**
- **Reduction of licensable activity (Hours) - Late Night Refreshment from Friday & Saturday 12:00 to 02:00am to 12:00 to 00:00am.**

Dear Mr Lawal,

**New Premises Licence Application – 313 New Cross Road, Lewisham, London, SE14 6AS**

Please be aware that I thought it necessary to document the findings of the visit my colleague Mr Savin and I made to your premises on Sunday 28<sup>th</sup> August 2016 at approximately 00:15am.

On entering the premises my colleague Mr Savin and I noted the provision of regulated entertainment via recorded music, the sale of hot food after 23:00 hours and the sale and consumption of alcohol by a number of patrons within the premises.

After discussing our concerns with regard to officers acknowledging the provision of licensable activity without authorisation, an offence via s136 of the Licensing Act 2003, you explained that you were off the belief that the appropriate licensing authority had received confirmation of a new premises licence application.

As you will recall officers informed you that the provision of licensable activity was not permitted during the period of applying and potentially obtaining a premises licence. Nonetheless, you were advised that licensable activity could be provided via the use of Temporary Event Notice.

Therefore as stated during our telephone conversation this afternoon I would like to offer my support in assisting you in your application for a new premises licence and to inform you as to the procedure in relation to applying for a temporary event notice.

Please note details of the proposed meeting are attached below;

**10:00am Thursday 1<sup>st</sup> September 2016 at 9 Holbeach Road, Catford, London, SE6 4TW**

Please do not hesitate to contact me should you wish to discuss the content of my letter.

Yours Sincerely

Date: 4<sup>th</sup> December 2017

Dear Mr Lawal,

**Licensing Compliance Visit – Exotic Bites, 313 New Cross Road, London, SE14 6AS**

Please note that I write to you in your capacity as the Director of Exotic Bites Ltd, the appropriate limited company referred to as the premises licence holder in relation to the aforementioned premises.

I thought it necessary to document in writing the inspection I undertook with my colleague Nadya Gencheva via powers afforded by s179 of the Licensing Act 2003 at the premises during the early hours of Sunday 3<sup>rd</sup> December 2017 at approximately 03:00am.

It was considered necessary to visit the above mentioned premises as a consequence of the Crime, Enforcement & Regulation Service being made aware of concerns with regard to the alleged provision of licensable activity after the hours permitted via the existing premises licence.

On entering the premise officers noted the provision of regulated entertainment via the use of a DJ, additionally, officers also observed the continued provision of late night refreshment and approximately twenty patrons located on the basement and first floors continuing to consume and purchase alcohol over an hour after licensable activity had ceased.

As a consequence of such officers confirmed an offence via s136 of The Licensing Act 2003 in relation to unauthorised licensable activity in addition to s137 of the aforementioned act in relation to exposing alcohol for unauthorised sale.

Whilst assessing compliance with the conditions as imposed on the premises licence as you will find in Annex 2 of your operating schedule, officers observed the following conditions which at the time of our visit you failed to adhere to;

- **Annex 2, Condition 2 - A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage with the absolute minimum of delay when requested.**
- **Annex 2, Condition 6 - An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:**

- a. all crimes reported to the venue
- b. all ejections of patrons
- c. any complaints received
- d. any incidents of disorder
- e. any faults in the CCTV system
- f. any refusal of the sale of alcohol

any visit by a relevant authority or emergency service.

- Annex 2, Condition 7 - No person under the age of 18 will be permitted be on the premises after 2100 when on sales are permitted unless they are in company with an adult and are consuming a substantial table meal.
- Annex 2, Condition 8 -As soon as possible, and in any event within 1 month from the grant of this licence, the premises shall join the Safer London Business Partnership, a local crime reduction scheme approved by the police.
- Annex 2, Condition 9 - The sale of alcohol for consumption on the premises will only be supplied or consumed by a person who is also consuming a substantial table meal and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.
- Annex 2, Condition 10 - All music must be turned down to a background level from 23:00hrs Sunday – Thursday and 00:00 on a Friday and Saturday.

### CCTV Operation

As you will recall, on confirmation that you were unable to access the relevant CCTV footage outlining coverage of the counter during our visit, my colleague Nadya Gencheva and I requested that the following footage be made available;

*NSR* CCTV footage between 01:00am and 04:00am on the morning of Sunday 3<sup>rd</sup> December 2017

Please note that the above stated request is a consequence of Annex 2, Condition 1 which states that;

*The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of a Metropolitan Police Crime Prevention Officer. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorized officer throughout the preceding 31 day period. The CCTV system should be updated and maintained according to police recommendations.*

In light of the visit I feel it necessary to meet with you as soon as is reasonably possible as a means of discussing concerns raised during our visit, please make contact with me as soon as is reasonably possible to provide available dates on which you will be free to visit me.

Please do not hesitate to contact me via the details as attached above should you wish to discuss the content of this letter.

Yours sincerely

**STATEMENT OF WITNESS**

*(Criminal Procedure Rules, r. 27.2;  
Criminal Justice Act 1967, s. 9, Magistrates' Courts Act 1980, s.5B)*

**STATEMENT OF:** Hayley Sanger

**Age of witness:** Over 18

This statement (consisting of 2 pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Hayley Sanger Flat 10, room 1, Batawica Mans, New Cross Road, New Cross, London, SE14 6EA

On almost every weekend since moving to Batawica Mans, Exotic Bites have played music past 2am. In October there were times they played music on Sunday nights, as well as Friday and Saturday nights. For the past few months the disruptive noise usually happens on only Friday nights and Saturday nights. Sometimes there was so much bass from the ~~the~~ music that my floor would shake and the bed vibrated. When lying on my bed I can feel the bass in my chest and to try and drown out the noise I would lay on my right ear, as my left ear is deaf. However, I can still hear the music even if my right ear is covered. This resulted in me buying and wearing ear plugs, which I had to stop as the recurring nights of wearing them led to the insides of my ears becoming painful and swollen.

So I could not continue wearing the earplugs. The noise level from Exotic Bites has lead me to either stay at a friend's house or elsewhere in London to avoid the noise and shouting so I can get a good, long sleep; or I stay up until 2:30am where I then ring up campus support or security to notify them that the restaurant has gone over their license. I have emailed campus support 5 times to complain and ring them or security 4 times. I would have contacted them more times, however to make sure I had enough sleep so it didn't affect my studies, I choose to stay away for the weekends.

I sent a complaint on the goldsmiths website on the 3rd October 2017 (I counted this as noise!).

I then emailed on these dates:

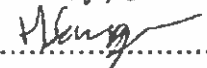

- Saturday 6/1/18 2:18am
- Saturday 10/2/18 3:26am
- Sunday 11/2/18 2:18am
- Thursday 15/2/18 2:24am

(I remember this night as I had an early start at university on the Thursday morning).

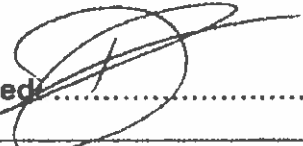

I ring campus support on these dates:

- Saturday 17/2/18 2:30 am
- Saturday 3/3/18 3:27 am
- Saturday 10/3/18 2:30 am
- Sunday 18/3/18 2:03 am

(There could be more phone calls, however my phone has not kept any record of any phone calls before January 2018).

**STATEMENT OF WITNESS**

(Criminal Procedure Rules, r. 27.2;  
Criminal Justice Act 1967, s. 9, Magistrates' Courts Act 1980, s.5B)

STATEMENT OF: Tayla Swan

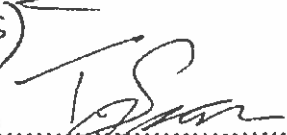

Age of witness: 19 Over 18

This statement (consisting of 2 pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

I have lived in Batavia Mews for around 6 months and ~~the~~ Living above Exotic Bites has been problematic for me since the start. Every Friday, Saturday and holidays without fail I have been kept up by extremely loud bassy music. It normally stops around half 3 or 4am. I assumed their license was later than 2am because they never fail to go over. The worst night for me was on Christmas Eve morning when I was already ill but was intensified and I spent the night crying from having such a pounding headache which was induced by the horrifically loud music ~~that~~ ~~was~~ Even after the music had stopped it had caused me so much distress and hurt my head so much I couldn't sleep even after the music had stopped. Being kept up regularly has had a real effect on my sleeping pattern and mental health. I had to start taking nytol because I could never get to sleep before 2/3am

even on days where there is no music. A lot of the time recently to avoid the music I've been staying out until it has finished, but that can be expensive and I end up drinking a lot. When it has been really bad I've had to find other places to stay to attempt to get a good night's sleep, even having to resort to tinder, the dating app. I've tried ear plugs but they don't work because the music is so loud and bassy. My flat mates bed even shakes sometimes. My sleeping pattern has effected my uni work and attendance to morning classes because my body clock is set backwards which means I struggle to wake up in the mornings and when I do manage it I'm exhausted for the rest of the day.

Date: 19<sup>th</sup> March 2018

Dear Mr Lawal,

**Meeting to discuss compliance with existing Premises  
Licence – Exotic Bites, 313 New Cross Road, London, SE14 6AS**

Please note that I write to you in your capacity as the Director of Exotic Bites Ltd, the appropriate limited company referred to as the premises licence holder in relation to the aforementioned premises.

As you are aware my colleague Nadya Gencheva and I visited the above mentioned premise via powers afforded by s179 of the Licensing Act 2003 during the early hours of Sunday 3<sup>rd</sup> December 2017 at approximately 03:00am.

It was considered necessary to visit the above mentioned premises as a consequence of the Crime, Enforcement & Regulation Service being made aware of concerns with regard to the alleged provision of licensable activity after the hours permitted via the existing premises licence.

I have enclosed my letter outlining the initial visit within my correspondence. Nevertheless, despite efforts on both sides to meet with you to discuss the breaches and the offence of undertaking unauthorised licensable activity as referred to via s136 of The Licensing Act 2003, this did not materialise.

I now wish to resume talks as I have received further complaints in relation to your ability to adhere to the current premises licence. Additionally, I have made contact with you via email on Friday 16<sup>th</sup> March 2018 but to date have not received a response regarding your current membership of Lewisham Safer Business Partnership.

Please note that in anticipation of our service meeting with you to discuss compliance, I require the stated CCTV footage below to be available to watch on our arrival;

1. Friday 2<sup>nd</sup> March 2018 between 00:30 and 03:30am
2. Saturday 3<sup>rd</sup> March 2018 between 00:30 and 03:30am
3. Sunday 4<sup>th</sup> March 2018 between 00:30 and 03:30am
4. Monday 5<sup>th</sup> March 2018 between 00:30 and 03:30am
  
5. Friday 9<sup>th</sup> March 2018 between 00:30 and 03:30am
6. Saturday 10<sup>th</sup> March 2018 between 00:30 and 03:30am
7. Sunday 11<sup>th</sup> March 2018 between 00:30 and 03:30am
8. Monday 12<sup>th</sup> March 2018 between 00:30 and 03:30am

9. **Friday 16<sup>th</sup> March 2018 between 00:30 and 03:30am**
10. **Saturday 17<sup>th</sup> March 2018 between 00:30 and 03:30am**
11. **Sunday 18<sup>th</sup> March 2018 between 00:30 and 03:30am**
12. **Monday 19<sup>th</sup> March 2018 between 00:30 and 03:30am**

Furthermore, I wish to meet with you at your premise **Exotic Bites, 313 New Cross Road, New Cross Road, London, SE14 6AS** on **Friday 23<sup>rd</sup> March 2018 at 13:00 hours**. Should this not be appropriate then please do not hesitate to make contact as a means of agreeing upon an alternative date.

Please do not hesitate to contact me via the details as attached above should you wish to discuss the content of this letter.

~~Yours sincerely~~

Date: 23<sup>rd</sup> March 2018

Dear Mr Lawal,

**Licensing Compliance Visit – Exotic Bites, 313 New Cross Road, London, SE14 6AS – Friday 23<sup>rd</sup> March 2018**

Please note that I write to you in your capacity as the Director of Exotic Bites Ltd, the appropriate limited company referred to as the premises licence holder in relation to the aforementioned premises.

The visit undertaken by my colleague Denis Savin and I as well as Ibrahim Zaheed, Safer Lewisham (Business Crime Reduction Partnership Officer) was made as a follow up to a request sent to you on Monday 19<sup>th</sup> March 2018 to review CCTV footage as a means of investigating whether the premise has continued to provide licensable activity after permitted hours, an offence via s136 of The Licensing Act 2003.

As you were informed in my previous correspondence which I have enclosed within this letter, you were asked to provide the following;

1. **Friday 2<sup>nd</sup> March 2018 between 00:30 and 03:30am**
2. **Saturday 3<sup>rd</sup> March 2018 between 00:30 and 03:30am**
3. **Sunday 4<sup>th</sup> March 2018 between 00:30 and 03:30am**
4. **Monday 5<sup>th</sup> March 2018 between 00:30 and 03:30am**
  
5. **Friday 9<sup>th</sup> March 2018 between 00:30 and 03:30am**
6. **Saturday 10<sup>th</sup> March 2018 between 00:30 and 03:30am**
7. **Sunday 11<sup>th</sup> March 2018 between 00:30 and 03:30am**
8. **Monday 12<sup>th</sup> March 2018 between 00:30 and 03:30am**
  
9. **Friday 16<sup>th</sup> March 2018 between 00:30 and 03:30am**
10. **Saturday 17<sup>th</sup> March 2018 between 00:30 and 03:30am**
11. **Sunday 18<sup>th</sup> March 2018 between 00:30 and 03:30am**
12. **Monday 19<sup>th</sup> March 2018 between 00:30 and 03:30am**

Nevertheless, I was informed that you were only able to provide twelve days' worth of footage whilst the footage. Therefore officers were unable to view footage between Friday 2<sup>nd</sup> March 2018 and Sunday 11<sup>th</sup> March 2018. Whilst I wish to view footage of last weekend I will arrange a time to meet with you as a means of also viewing available till receipts indicating sales on the nights as provided above.

It was also considered necessary to undertake a compliance check of all existing conditions, as you were notified the following conditions have not been upheld to date;

**Annex 2, Condition 1;** *The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of a Metropolitan Police Crime Prevention Officer. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorized officer throughout the preceding 31 day period. The CCTV system should be updated and maintained according to police recommendations.*

**Annex 2, Condition 2 ;** *A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorized council officer recent data or footage with the absolute minimum of delay when requested.*

**Annex 2, Condition 3;** *A proof of age scheme, such as Challenge 25, shall be operated at the premises where the only acceptable forms of identification are (recognised photographic identification cards, such as a driving licence or passport / Holographically marked PASS scheme identification cards).*

**Annex 2, Condition 6 -** *An incident log shall be kept at the premises, and made available on request to an authorised officer of the Council or the Police, which will record the following:*

- b. all ejections of patrons*
- c. any complaints received*
- d. any incidents of disorder*
- e. any faults in the CCTV system*
- f. any refusal of the sale of alcohol  
any visit by a relevant authority or emergency service.*

**Annex 2, Condition 8 -** *As soon as possible, and in any event within 1 month from the grant of this licence, the premises shall join the Safer London Business Partnership, a local crime reduction scheme approved by the police.*

**Annex 2, Condition 9 -** *The sale of alcohol for consumption on the premises will only be supplied or consumed by a person who is also consuming a substantial table meal and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.*

**Annex 2, Condition 10 -** *All music must be turned down to a background level from 23:00hrs Sunday – Thursday and 00:00 on a Friday and Saturday.*

Furthermore, I mentioned that a subsequent check of the limited company status in relation to Exotic Bites Ltd shows that the company is to dissolve on 27<sup>th</sup> March 2018, with this in mind it will be necessary to transfer the premises licence within 28 days of the date of dissolving to ensure the premises licence does not lapse, such a request is made in line with s27 of The Licensing Act 2003. Please note that I am free to assist you should you require guidance in relation to a premises licence transfer application.

Please do not hesitate to contact me via the details as attached above should you wish to discuss the content of this letter.

*Yours sincerely*
