1. **Recommendation**

To consider key decisions made by the Mayor and Cabinet on 6 June 2018 which will come into force on 20 June 2018.

2. **Background**

2.1 The Mayor and Cabinet considered the following key decisions on 6 June 2018.

2.2 The notice of the decision made in respect of the report is attached as an Appendix. Under the provisions of Standing Orders Part IV E 14, members may call in an executive decision within 7 days. If this report is not called in they will come into force on 20 June 2018.

   i. Community Infrastructure Levy Preliminary Draft Charging Schedule
   
   ii. Memorandum of Understanding with Veolia to develop a Lewisham heat network
The Mayor and Cabinet made the following decisions on 6 June 2018. These decisions will become effective on 20 June 2018 unless called in by the Overview & Scrutiny Business Panel on 19 June 2018.

1. **Community Infrastructure Levy Preliminary Draft Charging Schedule**

   Having considered an officer report and a presentation by the Mayor, the Mayor and Cabinet agreed that:

   (1) The Mayor (to the extent that it is an executive function) should approve the PDCS for public consultation and recommend that the Council do the same.

   (2) the Draft CIL Infrastructure Delivery Schedule, CIL Viability Review Report, Affordable Housing Delivery and Planning Obligations Report and Equalities Analysis Assessment be noted;

   (3) authority be delegated to the Executive Director, Resources and Regeneration to:

   - Approve any minor changes to the text and format of the PDCS and supporting documents prior to consultation;
   - Approve minor modifications to the PDCS and supporting documents following public consultation;
   - Where no material modifications are required to the proposed Charging Schedule following the consultation on the PDCS, approve the undertaking of a subsequent consultation on a DCS;
   - Where no material modifications are required following the consultation on the DCS, to approve the submission of the Council's proposed Charging Schedule and associated evidence base for public examination; and recommend that Council do the same.

   (4) if material modifications to the Charging Schedule following consultation on the PDCS are required, approval to undertake a subsequent
consultation be referred back to the Mayor and Cabinet and Council; and

(5) the adoption of an updated Community Infrastructure Levy Instalments Policy be approved and Council be recommended to do the same.

2. **Memorandum of Understanding with Veolia to develop a Lewisham heat network**

Having considered an officer report and a presentation by the Cabinet Member for the Community Sector, Councillor Jonathan Slater, the Mayor agreed that:

(1) the Memorandum of Understanding with Veolia to support the development of a Lewisham strategic heat network be approved; and

(2) the approach proposed by officers to develop a detailed business case for the Council’s involvement in a strategic heat network and specifically the terms under which the Council will bid for funding under the Government’s Heat Network Investment Project be approved.
