Date: 11<sup>th</sup> October 2018

Dear Lisa,

**Review of Premises – Mace Stores, 111 Deptford High Street, London, SE8 4NS**

Please be aware that on behalf of The Crime, Enforcement and Regulation Service I provide notice of my representation in support of the review application made by Mr. Frank Olaniran in relation to Mace Stores, 111 Deptford High Street, London SE8 4NS.

It has been necessary to support the review application as despite the continuous attempts to work with the licensee as a means of abating concerns with regard to alcohol related anti-social behaviour, I understand that reservations in relation to the premises' ability to ensure the responsible retailing of alcohol have resurfaced.

Therefore, I wish to base my representation on concerns with regard to the failure to uphold key licensing objectives most notably the prevention of crime and disorder in addition to the prevention of public nuisance.

The Crime, Enforcement and Regulation Service have been routinely informed of concerns by local residents with regard to street drinkers congregating within close proximity to Douglas Way, Deptford, SE8 4NS, and the subsequent adverse effect such activities have had on the ability of local residents making use of the area.

I take note of Mr Olaniran's account of an enforcement visit to the above mentioned area on Friday 17<sup>th</sup> August 2018, as a means of enforcing the borough's Public Space Protection Order, in which concerns were raised with regard to compliance of the following;

- Section 140 of The Licensing Act 2003 - Allowing disorderly conduct on licensed premises etc.
- Section 141 of The Licensing Act 2003 - Sale of alcohol to a person who is drunk
- Section 142 of The Licensing Act 2003 - Obtaining alcohol for a person who is drunk

Please note that I intend to rely on evidence of continued efforts on behalf of the aforementioned service extending back to April 2015, to work alongside the premise and the Designated Premises Supervisor in particular as a means of addressing matters including but not limited to intoxicated sales, proxy sales and the proper use of refusals books as a means of demonstrating a commitment to the responsible retailing of alcohol.

Yours Sincerely

  
Daniel Power  
Crime, Enforcement and Regulation Officer
