  - RAG Status
Key Performance Indicators

The following data in this indicator comes from the Police National Computer and is published by the MoJ. The data is shown in rolling full-years for the 12 months to March, July, September, and December of each year. The London Borough of Lewisham is unable to check, cross reference and/or provide further details regarding this indicator.

### Monthly Binary Rates: 2018

The binary rate is calculated by the number of re-offenders by the number in the cohort. January - December 2018 cohort size is 203 and has 31 re-offenders which gives a rate of **15.3%**. The cohort size is growing but the number of re-offenders is remaining low.
Live Tracker: First Time Entrants

Young people with no previous involvement in the criminal justice system who have been sentenced for an offence/s within the given period.

**Cohort Demographics: December 18**

**New Entrants to the Cohort**

  **Criminal Damage**: 1 Young people & time to re-offence
  - **Apr 18**: 1 mixed male aged 17, 3mths 19days
Custody

Young people who received a substantive criminal custodial disposal type providing they were aged under 18 on the date of first hearing. Identical sentences given on the same day are counted only once. Recalls to custody are not included and excludes outcomes where the result of an appeal was successful or changed on appeal.
