Subject: Objection to alcohol and music licence application for "Kick N Munch" at 189 Deptford High Street

Dear Sir/ Madam,

I wish to raise an objection to the application of an alcohol and music licence for "Kick N Munch" at 189 Deptford High Street.

This part of Deptford High Street is surrounded by residential properties and I believe that an alcohol and/or music license at this location will be hugely disruptive to both the sleep and well being of residents in the immediate area caused by both the noise of people coming and going from the restaurant and the noise of the music. There are no other restaurants or bars with late licences in this area currently.

I therefore strongly object to the application.

Subject: Kick N Munch 189 Deptford High Street Late License

To Whom it May Concern,

I am writing to object to the late licensing of Kick N Munch. Above virtually all the shops in in Deptford High Street are residential premises. Any increase in the hours of people coming and going will be detrimental to those residents. This company is asking for opening hours from 0800 - to 0200 every day of the week and extending to 0300 on Bank Holidays and New Year's. This is completely unacceptable. Not only are they extending business hours until 02:00 (or 03:00), they are also asking for a license to sell alcohol and to play recorded music. Again, this will only add to the disruption of residents not only in the immediate area but further afield as the club empties at 02:00.

I would also register my complaint that this notice is by no means prominently displayed. I only saw it when the club was closed and the security shutter was down, early on a Sunday morning. When the business is open, there is no displayed notice.

Please consider the residents in the High Street when any increase of hours is considered - especially with music and alcohol.

Many thanks and regards,

Weaser, Clare

Subject: FW: Formal opposition to licencing application: Kick N Munch, 189 Deptford High Street, SE8 3NT

Subject: Formal opposition to licencing application: Kick N Munch, 189 Deptford High Street, SE8 3NT

Formal opposition to licencing application: Kick N Munch, 189 Deptford High Street, SE8 3NT

To whom it may concern,

I wish to lodge my formal objection to Kick N Munch's application for:

Sale of alcohol for consumption on premises
between the hours of 23:00 – 02:00, Monday - Sunday

Late night refreshment
23:00 – 02:00, Monday – Sunday

Recorded music
23:00 – 02:00, Monday – Sunday

My bedroom – as those of many other residents on the street – gives onto the High street. Therefore any noise made – likely given proposed alcohol and music licenses, both due to noise within the premises, noise made by patrons on leaving and general late-night traffic – would directly impact my ability to sleep. What is more, these extended hours have been proposed during the working week, which would be untenable for those who of us who keep normal working hours. Additionally, it is entirely out of keeping with other premises on the street in what is a residential area, none of which have opening hours this late, even at weekends, let alone during the week.

I trust you will take these objections into account and prevent significant disruption to residents. This cannot be allowed to be passed.

Subject: Lounge 189 Deptford High Street

We wish to make a representation by way of objection to the application for extended hours on Sundays. There is a great deal of residential accommodation close by 189. Extending the licensing hours to 2am on a Sunday night is unnecessary and will affect lots of people as really only for the commercial benefit of the applicant which we do not think is more important than the quiet enjoyment of neighbouring residential accommodation.

Regards
