(Clause 51)

The transfer of monies to the Organisation

[These arrangements depend on the financial services arrangements - a book transfer only, superintended by Council staff contracted to the ALMO, or more than that?]

The calculation of the Organisation's fee

[These arrangements depend on

(a)

the relationship between the fee and the rental income – see Clause 52

(b)

the extent of the fee-paid services – do they cover only revenue-financed work or are capital programmes paid for in this way? The key question is “Who writes the (large) contract cheques?”

Whatever is decided it must be VAT efficient – i.e. the Council must be able to recover the VAT charged by the ALMO]

60 The financial plan which forms part of the Delivery Plan will deal with the procedures and practicalities. The two issues outlined in this Schedule are deemed sufficiently important to be included here. Both have statutory and contractual implications.

5.5 Suspension of the Rent

- 5.5.1 If and whenever the Premises or any part of them are damaged or destroyed by one or more of the Insured Risks so that the Premises or any part of them are unfit for occupation or use, and payment of the insurance money is not wholly or partly refused because of any act or default of the Tenant or anyone at the Premises expressly or by implication with his authority and under his control then the provisions of clause 5.5.2 are to have effect
- 5.5.2 In the circumstances mentioned in clause 5.5.1 the Rent, or a fair proportion of it according to the nature and the extent of the damage sustained, is to cease to be payable until the Premises, or the affected part, have been rebuilt or reinstated so as to render the Premises, or the affected part, fit for occupation and use, or until the end of 3 years from the destruction or damage, whichever period is the shorter, the proportion of the Rent suspended and the period of the suspension to be determined by the Surveyor acting as an expert and not as an arbitrator

5.6 Reinstatement and termination

- 5.6.1 If and whenever the Premises or any part of them are damaged or destroyed by one or more of the Insured Risks and payment of the insurance money is not wholly or partly refused because of any act or default of the Tenant or anyone at the Premises expressly or by implication with his authority and under his control, the Landlord must use reasonable endeavours to obtain the planning permissions or other permits and consents (“permissions”) that are required under the Planning Acts or otherwise to enable him to rebuild and reinstate the Premises
- 5.6.2 Subject to the provisions of clause 5.6.3 and, if any permissions are required, after they have been obtained, the Landlord must as soon as reasonably practicable apply all money received in respect of the insurance, except sums in respect of loss of the Rent, in rebuilding or reinstating the Premises
- 5.6.3 The Landlord need not rebuild or reinstate the Premises if and for so long as rebuilding or reinstatement is prevented because-
- 5.6.3.1 the Landlord, despite using reasonable endeavours, cannot obtain any necessary permission,
 - 5.6.3.2 any permission is granted subject to a lawful condition with which in all the circumstances it is unreasonable to expect the Landlord to comply,

- 5.6.3.3 there is some defect or deficiency in the site on which the rebuilding or reinstatement is to take place that means it can only be undertaken at a cost that is unreasonable in all the circumstances,
 - 5.6.3.4 the Landlord is unable to obtain access to the site to rebuild or reinstate,
 - 5.6.3.5 the rebuilding or reinstating is prevented by war, act of God, government action, strike or lock-out, or
- because of the occurrence of any other circumstances beyond the Landlord's control

5.6.4 If, at the end of the period of 3 years commencing on the date of the damage or destruction, the Premises are still not fit for the Tenant's occupation and use, either the Landlord or the Tenant may by notice served at any time within 6 months of the end of that period ("a notice to terminate following failure to reinstate") implement the provision of clause 5.6.5

5.6.5 On service of a notice to terminate following failure to reinstate, the Term is to cease absolutely – but without prejudice to any rights or remedies that may have accrued –and all money received in respect of the insurance effected by the Landlord pursuant to this Lease is to belong to the Landlord absolutely

5.7 **Tenant's further insurance covenants**

The Tenant covenants with the Landlord to observe and perform the requirements of this clause 5.7

- 5.7.1 The Tenant must comply with all the requirements and recommendations of the insurers
- 5.7.2 The Tenant must not do or omit anything that could cause any insurance policy on or in relation to the Premises to become wholly or partly void or voidable, or do or omit anything by which additional insurance premiums may become payable unless he has previously notified the Landlord and has agreed to pay the increased premium
- 5.7.3 The Tenant must keep the Premises supplied with such fire fighting equipment as the insurers and the fire authority require and must maintain the equipment to their satisfaction and in efficient working order. At least once in every year the Tenant must cause any sprinkler system and other fire fighting equipment to be inspected by a competent person
- 5.7.4 The Tenant must not store on the Premises or bring onto them anything of a specially combustible, inflammable or explosive nature, and must comply with the requirements and recommendations of the fire authority as to fire precautions relating to the Premises
- 5.7.5 The Tenant must not obstruct the access to any fire equipment or the means of escape from the Premises or lock any fire door while the Premises are occupied

- 5.7.6 The Tenant must give immediate notice to the Landlord of any event that might affect any insurance policy on or relating to the Premises, and any event against which the Landlord may have insured under this Lease
- 5.7.7 The Tenant must give immediate notice to the Landlord of any conviction, judgement or finding of any court or tribunal relating to the Tenant, or any director other officer or major shareholder of the Tenant, of such a nature as to be likely to affect the decision of any insurer or underwriter to grant or to continue any such insurance
- 5.7.8 If at any time the Tenant is entitled to the benefit of any insurance of the Premises that is not effected or maintained in pursuance of any obligation contained in this Lease, the Tenant must apply all money received by virtue of that insurance in making good the loss or damage in respect of which the money is received
- 5.7.9 If at any time the Premises or any part of them are damaged or destroyed by one or more of the Insured Risks and the insurance money under the policy of insurance effected by the Landlord pursuant to his obligations contained in this Lease is wholly or partly irrecoverable because of any act or default of the Tenant or of anyone at the Premises expressly or by implication with his authority and under his control, the Tenant must immediately, at the option of the Landlord, either rebuild and reinstate the Premises or the part of them destroyed or damaged to the reasonable satisfaction and under the supervision of the Surveyor – in which case, on completion of the rebuilding and reinstatement, the Landlord must pay to the Tenant the amount that the Landlord has actually received under the insurance policy in respect of the destruction or damage (if any) – or pay to the Landlord on demand with interest the amount of the insurance money so irrecoverable – in which case the provisions of clauses 5.5 SUSPENSION OF THE RENT and 5.6 REINSTATEMENT AND TERMINATION are to apply

5.8 Landlord's further insurance covenants

The Landlord covenants with the Tenant to observe and perform the requirements set out in this clause 5.8 in relation to the insurance policy effected by the Landlord pursuant to his obligations contained in this Lease

5.8.1 The Landlord must produce to the Tenant on demand reasonable evidence of the terms of the policy and the fact that the last premium has been paid

5.8.2 The Landlord must notify the Tenant of any material change in the risks covered by the policy from time to time

6. FORFEITURE

If and whenever during the Term-

- 6.1 the Rents, or any of them or any part of them, or any VAT payable on them, are outstanding for 14 days after becoming due, whether formally demanded or not, or
- 6.2 the Tenant breaches any covenant or other term of this Lease, or
- 6.3 the Tenant, being an individual, becomes bankrupt, or
- 6.4 the Tenant, being a company, enters into liquidation whether compulsory or voluntary – but not if the liquidation is for amalgamation or reconstruction of a solvent company – or has a receiver appointed, or
- 6.5 the Tenant enters into an arrangement for the benefit of his creditors, or
- 6.6 the Tenant has any distress or execution levied on his goods, or
- 6.7 the Management Agreement is terminated by either the Landlord or the Tenant

and where the Tenant is more than one person, if and whenever any of the events referred to in this clause happens to any one or more of them, the Landlord may at any time re-enter the Premises or any part of them in the name of the whole – even if any previous right of re-entry has been waived – and thereupon the Term is to cease absolutely but without prejudice to any rights or remedies that may have accrued to the Landlord against the Tenant or to the Tenant against the Landlord in respect of any breach of covenant or other term of this Lease, including the breach in respect of which the re-entry is made

The Tenant must indemnify the Landlord against any liability incurred by the Landlord to any third party whose property is sold by him in the mistaken belief held in good faith – which is to be presumed unless the contrary is proved – that the property belonged to the Tenant. If, having made reasonable efforts to do so, the Landlord is unable to locate the Tenant, then the Landlord may retain the proceeds of sale absolutely unless the Tenant claims them within 6 months of the date upon which he vacated the Premises. The Tenant must indemnify the Landlord against any damage occasioned to the Premises and any losses caused by or related to the presence of the property in or on the Premises
