Animal Welfare Charter

A referral was presented by Councillor Alan Hall, the Chair of the Overview & Scrutiny Business Panel, who reported the Panel had received a very interesting presentation from officers in the Customer Services Directorate who were to be commended for their efforts.

Councillor Hall confirmed that following discussion at the Overview and Scrutiny Business Panel on February 14, Panel Members welcomed the updated Charter, and agreed to make the following comments to Mayor and Cabinet:

i. The Business Panel believe that the fact that this policy was not reviewed for many years shows that the Council should have a policy tracking system in place to ensure timely and regular reviews of all policies.

The Mayor said given recent improvements to IT he would have a valid expectation to use technology to track policies

ii. Whilst welcoming the new Animal Welfare policy the Business Panel would like officers to explore signing up Council partners, particularly Lewisham Homes and RSL.

The Mayor said it made perfect sense to contact other landlords and he thanked officers for the work done so far in promoting the Animal Welfare Charter.
