51. Minutes

Beckenham Place Park Regeneration Update

A briefing was tabled at the meeting to update Panel Members on progress following their request for officers to review the Council's Lettings and Disposal Procedures. The Chair said he was pleased that this work was being done as it was necessary to ensure best practice was being followed.

RESOLVED that the minutes of the open meeting held on 28 November 2017 be confirmed as a correct record.

52. Declarations of Interests

53. Outstanding Scrutiny Items

54. Notification of Late and Urgent Items

55. Decisions Made by Mayor and Cabinet on 6 December 2017

Lewisham Future Programme 2018/19 Revenue Budget Savings

The Head of Corporate Resources introduced the report.

The Chair said as expected there was a large overspend which if not addressed could be an issue in future. He asked if plans had been put in place to tackle this.

Panel Members were informed that there was a predicted £30m overspend this year of which £7m has not yet been achieved, with additional savings of £10m to be made each year beyond 2020. Officers were expecting the consortium for fair funding to change things next year and a response was expected from the Council

before March 2018.

Business Panel was also informed that officers were currently planning to achieve £33m savings by 2020, and believed the majority of the £7m savings for this year would be achieved, and £5m of savings was targeted to be made next year although this would leave the Council with a savings gap.

The Chair said there were a number of issues that were affecting the savings plan mainly the increasing cost of social care, and projected failures of the investment markets. He asked how the Council would address this. Panel Members were told that as part of the Council's risk register officers were aware of these issues and were looking at the impact on services and the Council's capacity was being monitored constantly. The Head of Corporate Resources said officers were also looking at fostering provision to ensure that dependency on private provision was reduced.

Councillor Johnston-Franklin said children social care would continue to be overspent and this area would need long term management and constant monitoring. The Head of Corporate Resources said officers were looking at medium term changes that would need to be made.

Councillor Mallory asked whether the Council would need to change its savings strategy as it had been difficult to achieve its projected savings to date. The Head of Corporate Resources said £17m projected savings was the worse case scenario, but officers were constantly monitoring the situation and the way the Council delivers services was constantly being reviewed and revised to ensure that savings were being made wherever possible. He added that all local authorities were in similar position. The Head of Corporate Resources said it was also likely that the new administration would prioritise different service provision.

Councillor Mallory said at this stage it was very important to prioritise income generation, and asked for an update of what had been achieved to date and if targets had been met. The Chair asked how officers intended to deal with the additional pressures of salary increase and Brexit.

The Head of Corporate Resources said officers would need to address this additional pressure and they would obtain advise on the effect of inflation, credit ratings, interest rates, and would keep assessing the situation, as things look very challenging for the future. The Chair said Panel Members would have to decide how they could influence the budget policy of the next Administration. He thanked officers for the report.

RESOLVED that the decision of the Mayor be noted.

Introduction of a New Public Space Protection Order

The Strategic Community Safety Services Manager introduced the report.

The Chair said this was a timely review as the new Legislation would have superseded officers previous proposals. The Chair said Panel Members wanted to know how effective the protection order was, and how it was being monitored. The

Strategic Community Safety Services Manager explained to Panel Members how the order was been enforced both by the Police and Council officers.

The Chair said he understood the Council was under huge pressure to address this issue and it would be good for Panel Members to see the enforcement strategy and its effectiveness. The Strategic Community Safety Services Manager said officers were thinking of streamlining the order. They would work on separate elements and review them separately.

The Chair said down by the Pool River Linear Park there was a constant problem with unauthorised encampment, and asked what could be done to prevent this. The Strategic Community Safety Services Manager said travelling encampment issues have always been problematic but officers were dealing with this by directing offenders where they would get the necessary support.

Councillor Muldoon commented on the Council working with licensing premises to assist in preventing drunken behaviour. Councillor Sorba said it would be more positive, and accepted by residents if elected members were seen to be doing this work rather than police officers. Councillor Johnston-Franklin asked for an explanation of unauthorised encampment without reasonable excuse. This was explained by the Strategic Community Safety Services Manager.

Councillor Sorba said Safer, Stronger Communities Select Committee could look at this Order in detail and report back to the Panel on its implementation and effectiveness. It was agreed that Safer Stronger Communities Select Committee would be asked whether they would want to do a review on this Order.

The Chair said there had been some complaints about cyclists behaviour, officers acknowledged this. Councillor Muldoon asked whether this order would cover oxide canisters, the Strategic Community Safety Services Manager said he would check and get back to him.

Action >>>>> ED Community Services

The Chair thanked officers for the report.

RESOLVED that:

- i. the decision of the Mayor be noted.
- ii. the Chair of SSSC be asked whether the Select Committee would like to review this order.

56. Overview and Scrutiny Select Committees Work Programmes - 2017-18 - verbal update

The Scrutiny Manager introduced the report and informed Panel Members that most of the Select Committees in-depth reviews had been completed except that of Healthier Communities, and Housing Select Committees.

Panel Members were informed that Parliament's Communities and Local Government Select Committee had issued its report and recommendations arising from its review of overview and scrutiny. The main message of the report was that local government scrutiny plays an important role in ensuring accountability although sometimes there were barriers stopping scrutiny from being as effective as it could be.

The report suggested that parity of esteem between the executive and scrutiny was very important, as well as proper access to information and adequate resourcing. It also suggested that the scrutiny of commercial partners needed proper attention to ensure public accountability.

The Chair suggested that a response should be drafted adding that to improve Scrutiny's submission, local as well as national issues should be included.

Councillor Muldoon informed Panel Members that the Chair of Public Scrutiny's report has been published. The Chair thanked Scrutiny officers for all their hard work during the past year, despite the difficult times.

Agenda Item 2

OVERVIEW AND SCRUTINY BUSINESS PANEL		
Report Title	DECLARATIONS OF INTEREST	
Key Decision		Item No. 2
Ward		
Contributors	Chief Executive	
Class	Part 1	Date: 23 January 2018

Members are asked to declare any personal interest they have in any item on the agenda.

1 Personal interests

There are three types of personal interest referred to in the Council's Member Code of Conduct :-

- (1) Disclosable pecuniary interests
- (2) Other registerable interests
- (3) Non-registerable interests

2 Disclosable pecuniary interests are defined by regulation as:-

- (a) Employment, trade, profession or vocation of a relevant person* for profit or gain
- (b) Sponsorship –payment or provision of any other financial benefit (other than by the Council) within the 12 months prior to giving notice for inclusion in the register in respect of expenses incurred by you in carrying out duties as a member or towards your election expenses (including payment or financial benefit from a Trade Union).
- (c) Undischarged contracts between a relevant person* (or a firm in which they are a partner or a body corporate in which they are a director, or in the securities of which they have a beneficial interest) and the Council for goods, services or works.
- (d) Beneficial interests in land in the borough.
- (e) Licence to occupy land in the borough for one month or more.
- (f) Corporate tenancies – any tenancy, where to the member's knowledge, the Council is landlord and the tenant is a firm in which the relevant person* is a

partner, a body corporate in which they are a director, or in the securities of which they have a beneficial interest.

- (g) Beneficial interest in securities of a body where:-
- (a) that body to the member's knowledge has a place of business or land in the borough; and
 - (b) either
 - (i) the total nominal value of the securities exceeds £25,000 or 1/100 of the total issued share capital of that body; or
 - (ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the relevant person* has a beneficial interest exceeds 1/100 of the total issued share capital of that class.

*A relevant person is the member, their spouse or civil partner, or a person with whom they live as spouse or civil partner.

(3) Other registerable interests

The Lewisham Member Code of Conduct requires members also to register the following interests:-

- (a) Membership or position of control or management in a body to which you were appointed or nominated by the Council
- (b) Any body exercising functions of a public nature or directed to charitable purposes, or whose principal purposes include the influence of public opinion or policy, including any political party
- (c) Any person from whom you have received a gift or hospitality with an estimated value of at least £25

(4) Non registerable interests

Occasions may arise when a matter under consideration would or would be likely to affect the wellbeing of a member, their family, friend or close associate more than it would affect the wellbeing of those in the local area generally, but which is not required to be registered in the Register of Members' Interests (for example a matter concerning the closure of a school at which a Member's child attends).

(5) Declaration and Impact of interest on members' participation

- (a) Where a member has any registerable interest in a matter and they are present at a meeting at which that matter is to be discussed, they must declare the nature of the interest at the earliest opportunity and in any

event before the matter is considered. The declaration will be recorded in the minutes of the meeting. If the matter is a disclosable pecuniary interest the member must take no part in consideration of the matter and withdraw from the room before it is considered. They must not seek improperly to influence the decision in any way. **Failure to declare such an interest which has not already been entered in the Register of Members' Interests, or participation where such an interest exists, is liable to prosecution and on conviction carries a fine of up to £5000**

- (b) Where a member has a registerable interest which falls short of a disclosable pecuniary interest they must still declare the nature of the interest to the meeting at the earliest opportunity and in any event before the matter is considered, but they may stay in the room, participate in consideration of the matter and vote on it unless paragraph (c) below applies.
- (c) Where a member has a registerable interest which falls short of a disclosable pecuniary interest, the member must consider whether a reasonable member of the public in possession of the facts would think that their interest is so significant that it would be likely to impair the member's judgement of the public interest. If so, the member must withdraw and take no part in consideration of the matter nor seek to influence the outcome improperly.
- (d) If a non-registerable interest arises which affects the wellbeing of a member, their, family, friend or close associate more than it would affect those in the local area generally, then the provisions relating to the declarations of interest and withdrawal apply as if it were a registerable interest.
- (e) Decisions relating to declarations of interests are for the member's personal judgement, though in cases of doubt they may wish to seek the advice of the Monitoring Officer.

(6) Sensitive information

There are special provisions relating to sensitive interests. These are interests the disclosure of which would be likely to expose the member to risk of violence or intimidation where the Monitoring Officer has agreed that such interest need not be registered. Members with such an interest are referred to the Code and advised to seek advice from the Monitoring Officer in advance.

(7) Exempt categories

There are exemptions to these provisions allowing members to participate in decisions notwithstanding interests that would otherwise prevent them doing so. These include:-

- (a) Housing – holding a tenancy or lease with the Council unless the matter relates to your particular tenancy or lease; (subject to arrears exception)
- (b) School meals, school transport and travelling expenses; if you are a parent or guardian of a child in full time education, or a school governor unless the matter relates particularly to the school your child attends or of which you are a governor;
- (c) Statutory sick pay; if you are in receipt
- (d) Allowances, payment or indemnity for members
- (e) Ceremonial honours for members
- (f) Setting Council Tax or precept (subject to arrears exception)
