Part A – Items considered in public

<p>A4</p>	<p>Silks 177 - 181 Rushey Green Catford London SE6 4BD.</p>	<p>IN THE MATTER OF THE APPLICATION FOR A NEW PREMISES LICENCE, THE COMMITTEE HAS CONSIDERED THE RELEVANT REPRESENTATIONS MADE.</p> <p>The Committee has made the following determination:</p> <p>With a view to ensuring the promotion of the licensing objectives, in accordance with the provisions of the statutory guidance and the principles of our licensing policy, the application for a new premises licence was GRANTED as applied for.</p> <p>In coming to a determination the Committee considered the following matters;</p> <ol style="list-style-type: none"> 1. The Committee noted the representations made by residents. There were concerns from residents that Silks could operate in a similar manner to the previous business Nuvo Lounge. It had been noisy, security had been poor and residents were afraid to come home in the evening. The premises had been associated with anti-social behaviour and crime. 2. The Committee noted the representation made by the applicant. Mr Harris said that he has been in the hospitality business for 14 years. He was aware of the history of Nuvo Lounge and the issues they faced. 3. The Committee agreed that the applicant was aware of the concerns expressed by local residents and would address these concerns as follows: <ul style="list-style-type: none"> • There would be in-house security. Staff will know the business and the area well. • Silks will work directly with a security firm to provide security inside and outside the premises. An I.D scanner will act as a deterrent for anti-social behaviour. • Silks will be part of the 'Know your neighbour programme'. • There will be minimal queues outside the premises and there will be a staggered

		<p>dispersal at the end of the night managed by stewards and security staff.</p> <ol style="list-style-type: none">4. The Committee noted that this is a new application and the applicant cannot be held accountable for any failings of the previous management.5. No representations were received from any responsible authorities.6. The Committee noted that the applicant agreed to the conditions as attached which had been recommended by the Police and licensing officers and that granting the application, subject to these conditions, would promote the four licensing objectives. <p>An appeal may be made against this decision to the Magistrates Court within 21 days from the date of this letter.</p>

Decisions taken by the Licensing Committee on Wednesday, 3 June 2020

Agenda Item No	Topic	Decision
		<p>Agreed Conditions for 177-181 Rushey Green SE6 4BD (Name to be supplied).</p> <p>The premises shall install and maintain a comprehensive CCTV system. All entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of Police or authorized officer throughout the preceding 31 day period. The CCTV system should be updated and maintained according to police recommendations.</p> <p>A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorized council officer recent data or footage with the absolute minimum of delay when requested.</p> <p>All persons entering the premises shall be captured on an eye level colour CCTV camera. This camera shall capture the full face of any person entering and re-entering the premises and be available to police officers immediately upon request. The CCTV must also cover the ID scanner and capture the customers being scanned in. CCTV at front and back of building with particular regard to the smoking areas and alleyway at the back of the premises.</p>

Decisions taken by the Licensing Committee on Wednesday, 3 June 2020

Agenda Item No	Topic	Decision
		<p>The CCTV must cover all areas of the venue that the public have access to. There should be no obstructions to any internal camera that creates areas that are not wholly covered by CCTV, apart from within toilet cubicles and directly covering men’s urinals.</p> <p>The smoking area must be covered by CCTV that is to the same standards as the internal CCTV system.</p> <p>The premises shall prominently display signage at all entrances informing customers: - ('All persons entering this premise are liable to be searched. Agreement to search is a condition of entry. If persons do not consent, entry will be refused.) (All persons entering the premise will produce identification), (Police may be called if drugs or weapons are found.) (CCTV is in operation throughout this premises and is made available to the police.) (Any person found carrying weapons or illegal drugs will be permanently excluded and the police will be informed.) ('Management reserve the right to refuse entry')</p> <p>A minimum of 2 SIA registered door staff, of which one (1) must be female and are all employed by an Accredited Contractor Scheme (ACS) registered company. They must be on duty on Friday and Saturday and/or any Club nights from 21:00hrs until 30 minutes after closing and conducting licensable activities or any other advertised or private event, this does not include when any restaurant is open.</p> <p>A register of security personnel employed on the premises shall be maintained in a legible format and made available to police upon reasonable request. The register should be completed by the DPS/ duty manager/ nominated staff member at the commencement of</p>

		<p>(c) Any complaints received (d) Any incidents of disorder (e) All seizures of drugs or offensive weapons (f) Any faults in the CCTV system or searching equipment or scanning equipment (g) Any refusal of the sale of alcohol (h) Any visit by a relevant authority or emergency service. (I) advertise a number for complaints from the public and all complaints to be recorded in the incident book.</p> <p>A record book of banned individuals shall be held by the SIA registered door supervisors at the front door and will be made available to Police and Council upon request.</p> <p>The premises shall have a written dispersal policy including addressing parked or stationary vehicles across outside the front of the premises. All door staff shall be knowledgeable of this policy and able to enforce it.</p> <p>The designated queuing area shall be enclosed within appropriate barriers to ensure that the footway is kept clear if lawful to do so.</p> <p>The license holder shall enter into an agreement with a hackney carriage and/or private carriage firm to provide transport for customers, with contact numbers made readily available to customers who will be encouraged to use such services.</p> <p>When required, staff organize taxis to transport customers are seen off the premises and encouraged to disperse at closing.</p>

Decisions taken by the Licensing Committee on Wednesday, 3 June 2020

Agenda Item No	Topic	Decision
		<p>Polycarbonate/plastic/toughened glass drink ware is to be used by all persons, all alcoholic and 'soft' drinks are to be decanted by premises staff into such drink ware at the point of sale on club nights, except for Champagne, Sparkling wine and spirits sold by the bottle.</p> <p>A currently qualified first aider must be employed on the premises after 21:00. The venue will also provide first aid facilities commensurate with the type of event and customers expected.</p> <p>A noise limiter must be fitted and maintained within the premises. The level of this meter must be set in accordance with required legislation and standards by a qualified sound engineer, as so not to cause a noise nuisance. The limiter must be sealed in such a way that no unauthorised person can tamper with it. All amplified music played at the premises must be passed through the noise limiter. An annual calibration of the noise limiter must take place by a qualified sound engineer and recorded in the incident book.</p> <p>An appropriately qualified acoustic engineer* must be engaged to carry out an acoustic report for both sound insulation, egress and dispersal with appropriate recommendations as to how statutory nuisance can be mitigated appropriately, within 1 month of the licence being granted. A copy of the report must be sent to the licencing authority within 2 months of the licence grant date. Any recommendations to improve noise management to ensure a nuisance does not occur to neighbouring properties must be implemented with 3 months of the licence grant date.</p> <p>*defined as a member of the Association of Noise Consultants</p>

Decisions taken by the Licensing Committee on Wednesday, 3 June 2020

Agenda Item No	Topic	Decision
A6	FK Food Centre Ltd (Catford Food Centre)	After having regard to the compromise agreement outlined in the consent order signed by the London Borough of Lewisham and FK Food Centre, it was RESOLVED that the licence be reinstated subject to the conditions within the consent order and that these changes would take immediate effect.
