Contributors: Chief Executive

Outline and recommendations

Members are asked to declare any personal interest they have in any item on the agenda.

1. Summary

1.1. Members must declare any personal interest they have in any item on the agenda. There are three types of personal interest referred to in the Council's Member Code of Conduct:

- (1) Disclosable pecuniary interests
- (2) Other registerable interests
- (3) Non-registerable interests.

1.2. Further information on these is provided in the body of this report.

2. Recommendation

2.1. Members are asked to declare any personal interest they have in any item on the agenda.

3. Disclosable pecuniary interests

3.1 These are defined by regulation as:

- (a) Employment, trade, profession or vocation of a relevant person* for profit or gain
- (b) Sponsorship –payment or provision of any other financial benefit (other than by the Council) within the 12 months prior to giving notice for inclusion in the register in respect of expenses incurred by you in carrying out duties as a member or towards your election expenses (including payment or financial benefit from a Trade Union).
- (c) Undischarged contracts between a relevant person* (or a firm in which they are a partner or a body corporate in which they are a director, or in the securities of which they have a beneficial interest) and the Council for goods, services or works.
- (d) Beneficial interests in land in the borough.
- (e) Licence to occupy land in the borough for one month or more.
- (f) Corporate tenancies – any tenancy, where to the member’s knowledge, the Council is landlord and the tenant is a firm in which the relevant person* is a partner, a body corporate in which they are a director, or in the securities of which they have a beneficial interest.
- (g) Beneficial interest in securities of a body where:
 - (a) that body to the member’s knowledge has a place of business or land in the borough; and
 - (b) either:
 - (i) the total nominal value of the securities exceeds £25,000 or 1/100 of the total issued share capital of that body; or
 - (ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the relevant person* has a beneficial interest exceeds 1/100 of the total issued share capital of that class.

*A relevant person is the member, their spouse or civil partner, or a person with whom they live as spouse or civil partner.

4. Other registerable interests

4.1 The Lewisham Member Code of Conduct requires members also to register the following interests:

- (a) Membership or position of control or management in a body to which you were appointed or nominated by the Council
- (b) Any body exercising functions of a public nature or directed to charitable purposes, or whose principal purposes include the influence of public opinion or policy, including any political party
- (c) Any person from whom you have received a gift or hospitality with an estimated value of at least £25.

5. Non registerable interests

- 5.1. Occasions may arise when a matter under consideration would or would be likely to affect the wellbeing of a member, their family, friend or close associate more than it would affect the wellbeing of those in the local area generally, but which is not required to be registered in the Register of Members' Interests (for example a matter concerning the closure of a school at which a Member's child attends).

6. Declaration and impact of interest on members' participation

- 6.1. Where a member has any registerable interest in a matter and they are present at a meeting at which that matter is to be discussed, they must declare the nature of the interest at the earliest opportunity and in any event before the matter is considered. The declaration will be recorded in the minutes of the meeting. If the matter is a disclosable pecuniary interest the member must take not part in consideration of the matter and withdraw from the room before it is considered. They must not seek improperly to influence the decision in any way. **Failure to declare such an interest which has not already been entered in the Register of Members' Interests, or participation where such an interest exists, is liable to prosecution and on conviction carries a fine of up to £5000**
- 6.2. Where a member has a registerable interest which falls short of a disclosable pecuniary interest they must still declare the nature of the interest to the meeting at the earliest opportunity and in any event before the matter is considered, but they may stay in the room, participate in consideration of the matter and vote on it unless paragraph 6.3 below applies.
- 6.3. Where a member has a registerable interest which falls short of a disclosable pecuniary interest, the member must consider whether a reasonable member of the public in possession of the facts would think that their interest is so significant that it would be likely to impair the member's judgement of the public interest. If so, the member must withdraw and take no part in consideration of the matter nor seek to influence the outcome improperly.
- 6.4. If a non-registerable interest arises which affects the wellbeing of a member, their, family, friend or close associate more than it would affect those in the local area generally, then the provisions relating to the declarations of interest and withdrawal apply as if it were a registerable interest.
- 6.5. Decisions relating to declarations of interests are for the member's personal judgement, though in cases of doubt they may wish to seek the advice of the Monitoring Officer.

7. Sensitive information

- 7.1. There are special provisions relating to sensitive interests. These are interests the disclosure of which would be likely to expose the member to risk of violence or intimidation where the Monitoring Officer has agreed that such interest need not be registered. Members with such an interest are referred to the Code and advised to seek advice from the Monitoring Officer in advance.

8. Exempt categories

- 8.1. There are exemptions to these provisions allowing members to participate in decisions notwithstanding interests that would otherwise prevent them doing so. These include:-
- (a) Housing – holding a tenancy or lease with the Council unless the matter relates to your particular tenancy or lease; (subject to arrears exception)
 - (b) School meals, school transport and travelling expenses; if you are a parent or

guardian of a child in full time education, or a school governor unless the matter relates particularly to the school your child attends or of which you are a governor

- (c) Statutory sick pay; if you are in receipt
- (d) Allowances, payment or indemnity for members
- (e) Ceremonial honours for members
- (f) Setting Council Tax or precept (subject to arrears exception).

- 1.6. This application was heard by committee on 10 August 2021 and the committee decided to defer a decision to allow the application further time to discuss conditions with PC Simon Butler. Further discussions have taken place however no agreement has been confirmed.

2. Recommendations

- 2.1 After having regard to all the representations heard, Members must take such steps as they consider appropriate to promote the prevention of crime and disorder and public nuisance. The steps available to the Licensing Authority:
 - 1.) Grant the new premises licence as applied for,
 - 2.) Grant the licence subject to conditions modified to such extent as the authority considers appropriate for the promotion of the licensing objectives
 - 3.) Exclude from the scope of the licence any of the licensable activities to which the application relates;
 - 4.) Refuse to specify a person in the licence as the designated premises supervisor;
 - 5.) Refuse to grant the application.
- 2.2 Either party has a right of appeal to the Magistrates Court against a decision which should be submitted to the court within 21 days of the date of the decision letter.

3. Policy Context

- 3.1. Decisions by Members of the Licensing Committee should have regard to the Licensing Act 2003 and the promotion of the four Licensing Objectives at all times, which includes the following:
 - Protection of Children from Harm
 - Prevention of Crime and Disorder
 - Prevention of Public Nuisance
 - Public Safety
- 3.2. Members should also have regard to the Licensing Authority's Statement Licensing Policy 2020-25.
- 3.3. Decisions made will link in with the following objectives under the Council's Corporate Strategy – Building an Inclusive Local Economy and Building Safer Communities.

4. Financial implications

- 4.1. Applicants have the right of appeal against any decision by the Licensing Committee. Therefore there would likely be costs for the Authority in seeking legal support should an appeal be brought by the applicant.

5. Legal implications

- 5.1 The Licensing Authority is a public authority under the Human Rights Act 1998. Therefore the licensing authority is required to act compatibly with the convention rights

in the exercise of their functions. Article 6 (1) of the Convention provides that everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial hearing established by law.

- 5.2 A Premises Licence is a possession for the purpose of the Human Rights Act 1998. The right to hold a licence is a qualified rather than an absolute right. Therefore the right to hold a licence may be interfered with if it affects the interests of local residents or others. Such interference may be justified if it is necessary and proportionate to promote the licensing objectives.

6. Equalities implications

- 6.1 The Equality Act 2010 (the Act) introduced a public sector equality duty (the equality duty or the duty). It covers the following protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

- 6.2 In summary, the Council must, in the exercise of its functions, have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- advance equality of opportunity between people who share a protected characteristic and those who do not.
- foster good relations between people who share a protected characteristic and those who do not.

- 6.3 It is not an absolute requirement to eliminate unlawful discrimination, harassment, victimisation or other prohibited conduct, or to promote equality of opportunity or foster good relations between persons who share a protected characteristic and those who do not. It is a duty to have due regard to the need to achieve the goals listed above.

- 6.4 The weight to be attached to the duty will be dependent on the nature of the decision and the circumstances in which it is made. This is a matter for the Mayor, bearing in mind the issues of relevance and proportionality. The Mayor must understand the impact or likely impact of the decision on those with protected characteristics who are potentially affected by the decision. The extent of the duty will necessarily vary from case to case and due regard is such regard as is appropriate in all the circumstances.

- 6.5 The Equality and Human Rights Commission has issued Technical Guidance on the Public Sector Equality Duty and statutory guidance entitled "Equality Act 2010 Services, Public Functions & Associations Statutory Code of Practice". The Council must have regard to the statutory code in so far as it relates to the duty and attention is drawn to Chapter 11 which deals particularly with the equality duty. The Technical Guidance also covers what public authorities should do to meet the duty. This includes steps that are legally required, as well as recommended actions. The guidance does not have statutory force but nonetheless regard should be had to it, as failure to do so without compelling reason would be of evidential value. The statutory code and the technical guidance can be found at:

<https://www.equalityhumanrights.com/en/advice-and-guidance/equality-act-codes-practice>

<https://www.equalityhumanrights.com/en/advice-and-guidance/equality-act-technical-guidance>

- 6.6 The Equality and Human Rights Commission (EHRC) has previously issued five guides for public authorities in England giving advice on the equality duty:

- [Engagement and the equality duty: A guide for public authorities](#)

- [Equality Information and the Equality Duty: A Guide for Public Authorities](#)

6.7 The essential guide provides an overview of the equality duty requirements including the general equality duty, the specific duties and who they apply to. It covers what public authorities should do to meet the duty including steps that are legally required, as well as recommended actions. The other four documents provide more detailed guidance on key areas and advice on good practice. Further information and resources are available at:

7. Climate change and environmental implications

7.1. Any decision made by Members must fall in line with the Licensing Act 2003, to that end there are no climate change or environmental considerations.

8. Crime and disorder implications

8.1. Under the Licensing Act 2003, one of the 4 licensing objectives is the Prevention of Crime and Disorder.

8.2. It is the a requirement of the Licensing Act 2003 that any decision made by the Licensing Committee must not negatively impact on the Licensing objectives.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We have contacted police voicing our concerns about the supplication of alcohol from our premises to help ensure they can help prevent crime and disorder and public nuisance by making them aware of potential problem areas (evidence shown below). If we are granted this license, we will ensure that customers drink responsibly and customers follow alcohol consumption laws ie. They are of age. We will refuse to serve alcohol to problematic customers and customers who have had too much to drink. Adults that are accompanied by children who would like to drink alcohol will be reminded to drink safely and responsibly and ensure alcohol is out of reach from children. Staff will do their utmost to promote safe drinking and promote the four licensing objectives.

What would you like to tell us about?

Please tell us what it is you're concerned about:

I am the manager of Good Friend Chinese Takeaway on 2a Douglas Way, Deptford, SE8 4RJ. I am currently applying for a premises license from the council to allow the sale of alcohol in my takeaway. As part of the application, I am required to highlight how I am going to promote the 4 licensing objectives which are the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. In this area, I have witnessed a lot of loitering and occasional arguments and fights between people and I am worried that the supply of alcohol from my takeaway can cause trouble in the future.

Where did this happen?

not given

What day? (DD/MM/YYYY)

not given

What time? (HH-MM)

not given

If you don't know or remember the exact date, please describe additional details that will help us to identify the date or time.

Recently there have been people sitting outside of my takeaway making a mess and playing loud music and constantly asking for things from my takeaway even though I have asked them to leave several times as it affects my business but also bothers the public. Few weeks ago I've seen people fighting and a couple loudly arguing with each other whereby the woman was constantly shouting and attacking the man.

Who is, or was, involved?

not given

b) The prevention of crime and disorder

We have contacted police voicing our concerns about the supplication of alcohol from our premises to help ensure they can help prevent crime and disorder by making them aware of potential problem areas (evidence shown below). Since receiving our concern, there have been 2 new officers deployed in the local area. If we are granted this license, we will ensure that customers drink responsibly and customers follow alcohol consumption laws ie. They are of age. We will refuse to serve alcohol to problematic customers and customers who have had too much to drink.

c) Public safety

We have contacted police voicing our concerns about the supplication of alcohol from our premises to help ensure they can help improve public safety by making them aware of potential problem areas (evidence shown below). There have been 2 new officers deployed by the Met police to help keep peace and safety. If we are granted this license, we will ensure that customers drink responsibly and customers follow alcohol consumption laws ie. They are of age. We will refuse to serve alcohol to problematic customers and customers who have had too much to drink.

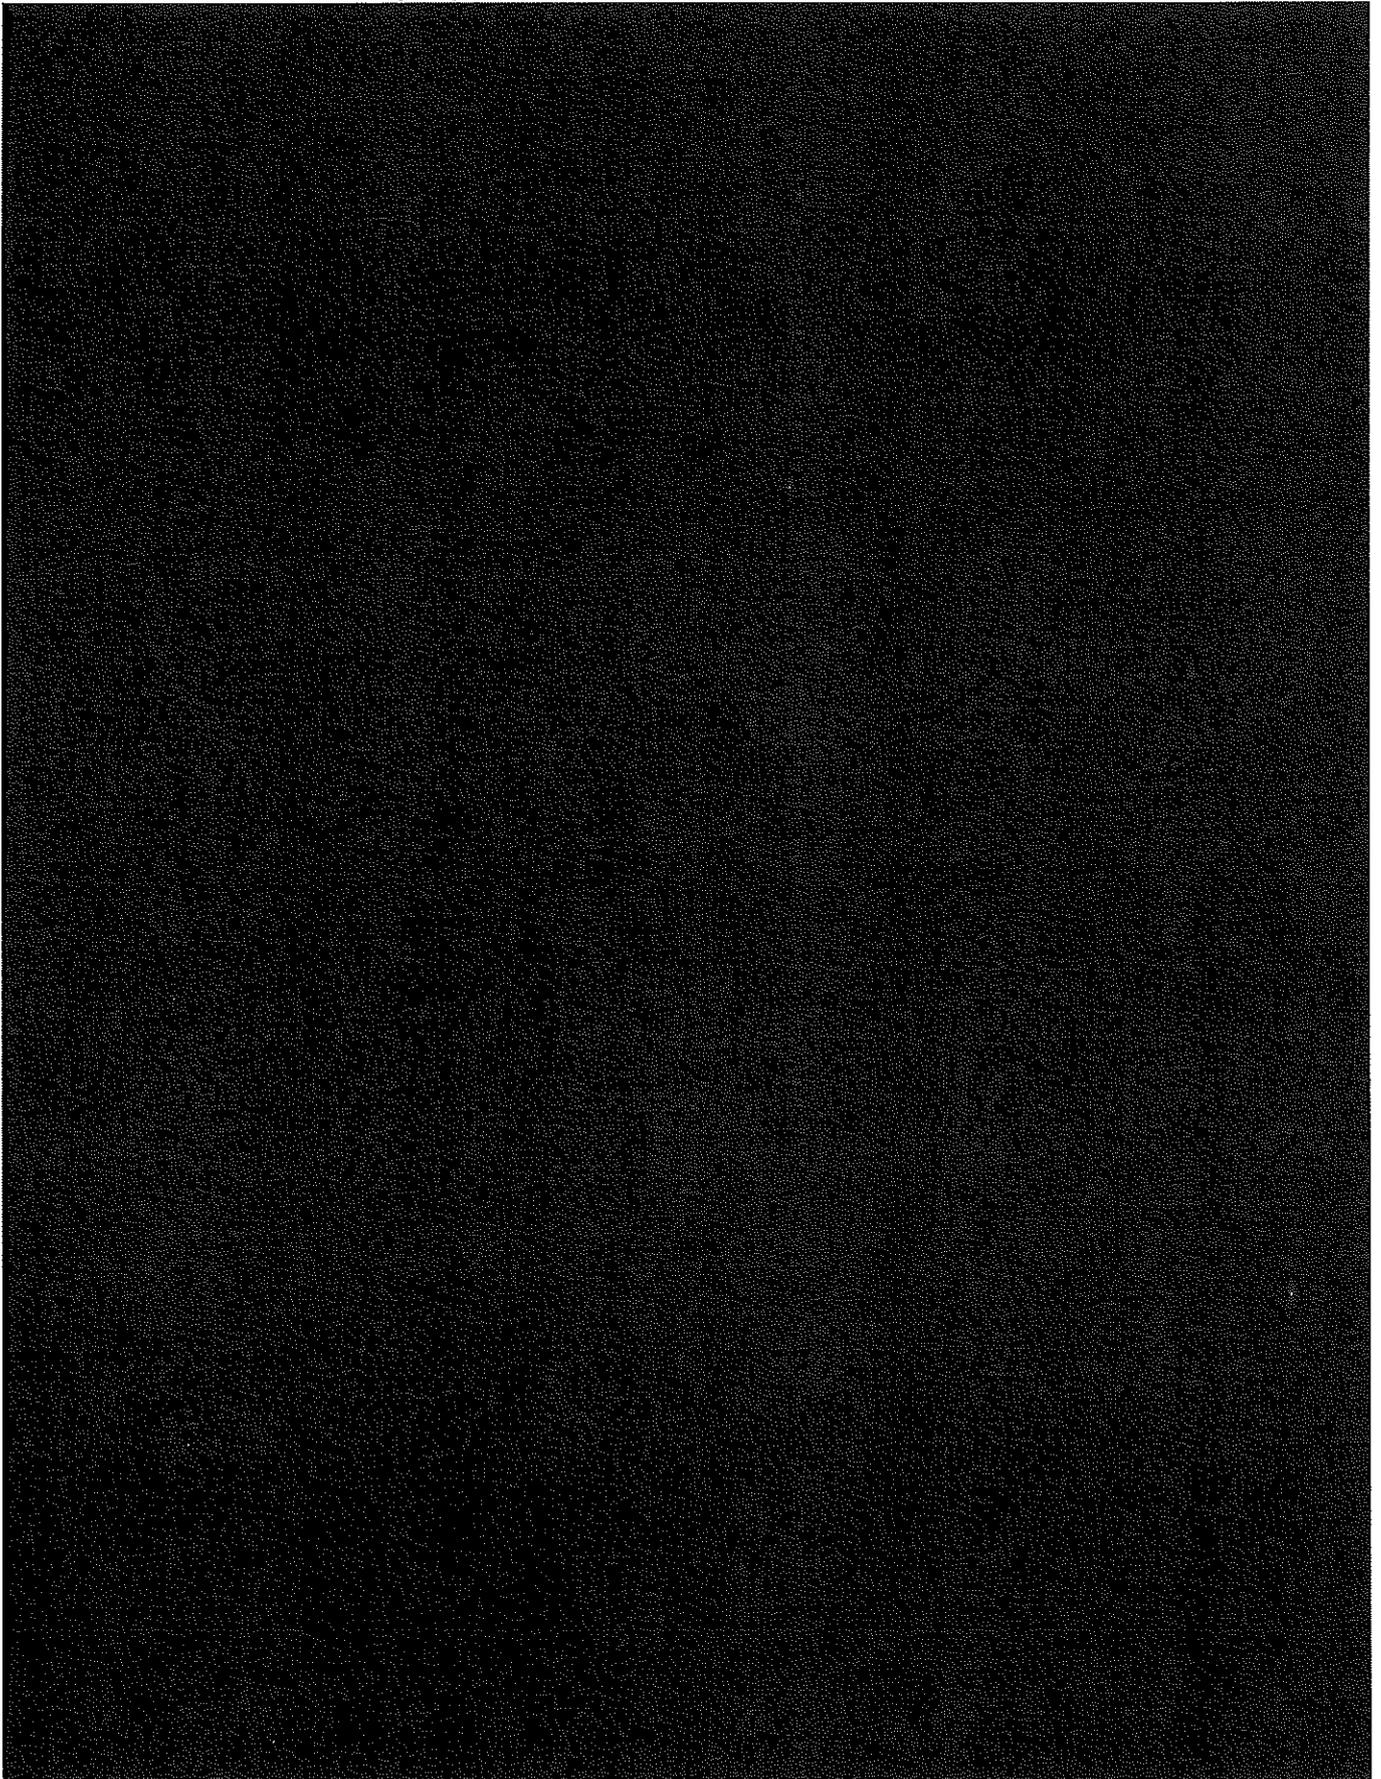

d) The prevention of public nuisance

We have contacted police voicing our concerns about the supplication of alcohol from our premises to help ensure they can help prevent public nuisance by making them aware of potential problem areas (evidence shown below). There have been times where customers have been loitering outside playing loud music and leaving litter and we hope that the police can support us. We will also ensure to politely ask customers to leave if they are being a public nuisance. If we are granted this license, we will ensure that customers drink responsibly and customers follow alcohol consumption laws ie. They are of age. We will refuse to serve alcohol to problematic customers and customers who have had too much to drink.

e) The protection of children from harm

Our takeaway typically doesn't receive children as customers unless they are a part of a family or group. Due to this, adults that are accompanied by children who would like to drink alcohol will be reminded to drink safely and responsibly and ensure alcohol is out of reach from children. Staff will do their utmost to promote safe drinking and promote the four licensing objectives. The takeaway doesn't offer any inappropriate entertainment or services that could affect children and the parts of the premises that customers can access is safe where it is just a dining area.

Subject: Objection to Goodfriends Chinese Takeaway premises licence

Dear Sir

I am writing to object to the Goodfriends (GF) Chinese Takeaway premises licence. I am a resident in [REDACTED] a small estate adjacent to GF.

Public Nuisance:

For the last 4 years the area of Deptford (Douglas Way) where GF is situated has seen protracted and extreme incidents of anti-social behaviour.

It is only now, after police and local council intervention, that this is gradually improving.

GF has proven itself to be untrustworthy as a neighbour by operating late night Karaoke/entertainment despite not having a licence.

This has lead to vehicles driving into DW at all hours, often playing loud music; alcohol consumption and littering; intimidatory behaviour when asked to be considerate of neighbours; being a focal point for anti-social elements within the community and wider SE London area.

In addition the proprietor sells illegal tobacco/cigarettes and this attracts particularly unsavoury characters to the establishment. This has been persistently reported and yet continues to take place.

All of the above is known to both the police and council and all has caused alarm, distress and harassment.

Please check the records of the CER team for a more detailed breakdown of the ASB in the area and the role of GF.

In addition one of my neighbours is next to GF. [REDACTED] has had cause on many occasions to complain about GF and they have used intimidatory tactics against [REDACTED], including setting up tables around her property and being deliberately loud and obnoxious; empty beer bottles being thrown over her property wall; lighting outdoor BBQs to send smoke into [REDACTED] house - there is more and the CER records will back this up.

It is my opinion that GF has demonstrated it is unfit to be granted this licence.

I wish my identity to remain anonymous as I am reliably informed that GF can be vindictive to complainants.

Regards,

[REDACTED]

Subject: Application from Good Friends

Re: The application for change to premises licence by:

Good Friends Takeaway. 2a Douglas Way SE8 4TW

We are writing to give our objections to the above application.

The takeaway is situated in a mixed residential area and with shops closely opposite and at one side of them. The upper floors of these shops have many flats. On the other side of the restaurant is a small estate which has houses facing the site of the venue and a window from the takeaway and two others from the accommodation above the takeaway.

The gardens are quite small and there is an alley between the takeaway and gardens. It is approximately 25ft so very close. Bedroom windows face the venue.

We totally oppose the changes to the license as it will become in effect a night club, placed in a very inappropriate setting.

Our children and grandchildren will have disturbed sleep as will adults, who may be elderly, unwell, have disabilities or live on their own and are scared

It will affect children's education and our work and daily life.

We have worked long and hard over the years, with CER'S, SNT and the Met Police to stop anti-social behaviour in and around Douglas Way Square, which was at one point intolerable, It is much better now but it is still being monitored. We have a fear of it escalating again and undoing our joint hard work.

We feel the late hours will attract other undesirable elements to gather and we will have an escalation of drug dealing/taking, street drinking ,littering and urination in the alley and the square.

We are concerned about people returning home late being intimidated, especially females, as has happened before.

We know from experience that as people get drunker things get much louder, arguments start, music and karaoke increase in volume and people hang around after closing time has passed.

It is a very small venue and people spill outside, smokers congregate and people take their drinks with them

We can see absolutely no benefit to any of the local community, from this application.

Just an increase in the current disturbances ourselves and others nearby face.

We strongly oppose everything in the application and trust you will take our views into consideration when making a decision.

16th July 2021

Dear Licensing Team,

Police have received an Application for a New Application at Good Friends Ltd, 2a Douglas Way SE8 4AG.

Police wish to object to this New Application on ground of Prevention of Public Nuisance and Prevention of Crime and Disorder. The New Application was submitted to me on 23/06/2021, and I have been informed that Representations need to be in by 19TH July 2021.

I sent a proposed draft of Licensing Conditions to the applicant on 24th June 2021 and was contacted back with regards about removal of some of the proposed conditions submitted. Since this e mail I have concerns that we have not heard anything back from this Applicant in way to an agreement on operating Conditions.

The Applicant stated that they didn't see the need for Condition 17, an Incident Log to be in place. This is a standard condition and requires to be in place in order to support other conditions on the licence. Without the Incident/ Refusal Book, there would be nowhere to record any malfunction of the Cctv equipment and support that repairs were in hand. This matter also records important issues like the amount of refusals of sales, how many refusals and when they are taking place. Also logging of any crimes incidents and visits made by Enforcement departments. Police feel this is a Must to be included on any Premises Licence Conditions.

Further points that have been suggested to be removed are Condition 18, around having an agreement in place with Carriage companies in order to assist with customers leaving the premises. It would be strongly suggested that the Applicant is under estimating the impact that having customers leaving and hanging around outside in the local street can cause and having impact on local community peace. It is important that local residents can see that the premises will assist with dispersal of its customers into local Taxi or mini cabs in order to limit the noise of people hanging

around outside. This business states that it serves the local community and it is concerned about the impact on residents, when this condition is designed to assist this issue.

The Applicant has also suggested that Condition 19 & 20 are not required. This condition is regarding the installation of a noise limiter to ensure limits to noise are controlled and evidenced to be acceptable to all. This condition when the premises is looking at operating Karaoke evenings and having music being played late into its licence times, will show anyone objecting to this application that the noise levels will be controlled to a level that can be controlled. This also protects that business with complaints that are made where it can evidence the noise pollution to be at acceptable levels. Police would like the committee to consider this as a major tool in supporting complaints and evidencing the business in committing any wrong doing.

Finally, the applicant has asked that Conditions 24, 25 & 26 are removed that places a conditional requirement to have SIA registered door staff in place.

Police believed that serious consideration be made to consider this condition being kept in place at certain times that have been offered.

It is with full understanding that the Applicant will look to introduce Karaoke evenings and this could bring in considerable extra business for the Premises. Police feel that when operating such gatherings late at night and at Parties/ Karaoke and private events and operating late at night this then becomes a high risk premises with Alcohol that fuels late night issues. The need to have an SIA registered member of staff who could professionally deal with the issues that come out of this type of event is a must. In the conditions being offered it has been suggested that only when the premises is open after Midnight that this is put in place. Parties and such events, require extra management of people in general, in order that this type of event passes without incident and it would be considered irresponsible not to put a limit to this risk in place from the start.

Condition 25 covers the need to have a log of who the SIA are and the times they will be on duty if required for any investigation later on. Condition 26 also requires the need for the SIA to document any incident that takes place to assist Police investigations if the need arises.

The location of this Premises is such that it has an extensive amount of licensed premises nearby and a high level of evening activity and has a hot spot for Alcohol related issues. Nearby premises who serve Alcohol and stay open until these times also have SIA registered door staff on duty and this premises has to guide towards the same levels of responsibility as a local business.

I look towards the Committee to obviously therefore consider Police Objections on grounds of Public Nuisance and reduction of Crime and Disorder. Without Conditions being in place there would be concerns over upholding any Licensing Objectives for the Borough.

Police wish to Object under Prevention of Crime and Disorder and Prevention of Public Nuisance due to the impact that another premises opening in an already saturated area without restrictions of some kind. This would lead to more Anti-social behaviour and disturbances for local residents.

This applicant asking for the removal of conditions suggested are a serious concern and would have an impact on the local community and the ability of upholding licence objectives. I am already aware that there has been noise issues evidenced by the Local Authority CER Team and not having conditions in place would substantially increase the possibility of more complaints being received.

I object on grounds of Crime and Disorder and Prevention of Public Nuisance.

For your consideration

Regards

Simon Butler
