615. Budget Reductions 2022-23

The report was presented by Councillor de Ryk who was thanked by the Mayor for leading a thorough process that had enabled all members to review and challenge the proposals. The Mayor added his thanks to all the scrutiny committees for their work in considering and commenting on these proposals.

The Mayor noted all of the proposals put forward resulted in a reduction in Council expenditure, but most of them were not a reduction in the level of service provided. They include opportunities to generate more income, work more efficiently, and re-allocate resources where not needed in full.

Having looked at the specific recommendations and noting the scrutiny comments from the Public Accounts Select Committee, the Mayor proposed that the following action be taken:

That all recommendations set out in section 2 be approved endorsing the continuing work on proposals previously agreed and agreeing the new one totalling £1.425m for 2022/23 enabling the budget reduction proposals to be taken forward at pace and form part of the budget setting process for 2022/23.

In respect of the income generation proposals detailed in Appendices 2 to 5; the Mayor proposed that the proposals referenced D-10, D-12, D-13 and E-12, go forward to the next stage of the budget preparation process.

The Mayor proposed to delegate the final decision with regards to proposals C-44 and E-15 to the relevant Executive Director.

There were four proposals relating to improved operational efficiencies. The Mayor propose agreement to the proposals referenced C-35, C-36 and C-40 to go forward to the next stage of the budget preparation process.

He proposed to consult on proposal reference D-14 and delegate the final decision to the relevant Executive Director.

There were four proposals relating to the reallocation of resources no longer needed in full. The Mayor proposed agreement to the proposals referenced C-38, C-39 and D-11 to go forward to the next stage of the budget preparation process.

He proposed to delegate the final decision with regards to proposal F-25 to the relevant Executive Director.

There were two proposals relating to reductions in budget. The Mayor proposed that for proposal reference E-14 officers be asked to undertake a full equalities impact assessment and that this return to Mayor and Cabinet as part of the leisure contract review for decision at the earliest opportunity.

The Mayor concluded by proposing the agreement to proposal reference F-26 to go forward to the next stage of the budget preparation process

Having considered an open officer report, and a presentation by the Cabinet

616. Main Grants Programme 2022-25

The Mayor commenced by noting with pleasure that the Council would be allocating more than £7.3 million to the Main Grants programme over the next three years. This funding would mean Voluntary and Community Sector groups in the borough will continue to do their vital work and further support residents and tackling inequalities. This sum was in addition to the £2.93 million of NCIL funding and over £360,000 from the first phase of the Greening Fund.

Councillor Powell then presented the report and confirmed there had only been one appeal against the proposals by Hawkeye Empire. She welcomed Stevanna Francis of Hawkeye Empire, who made an appeal claiming the decision was unfair as their submission had been made on the basis of the information supplied to them by the Council.

The Cabinet was advised by the Executive Director for Community Services representative who pointed out a large grant was being sought by an

organisation with a limited track record. Currently advice services were delivered by CAB in a partnership approach. Other new organisations that had received funds were on a much smaller scale. He added that discussions were ongoing with Hawkeye Empire to agree a way forward.

Having heard the appeal and the officer advice, Councillor Powell recommended that given the oversubscription to the year's £2.46M envelope, the proposals be agreed as printed.

Having considered an open officer report, an appeal by Hawkeye Empire and a presentation by the Cabinet Member for Business and Community Wealth Building, Councillor Kim Powell, the Mayor and Cabinet for the reasons set out in the report by a vote of 5-0:
