

Decisions taken by the Sustainable Development Select Committee on Wednesday, 15 September 2021

Agenda Item No	Topic	Decision
Part A – Items considered in public		
A1	Minutes of the meeting held on 30 June 2021	That subject to the clarification raised by members – the minutes of the meeting held on 30 June 2021 be agreed as an accurate record.
A3	Responses from Mayor and Cabinet	That the Committee would refer its views to Mayor and Cabinet as follows – <ul style="list-style-type: none"> • The Committee recommends that Mayor and Cabinet should give consideration to the additional evidence provided by the Friends of Railway Children Walk – as well as the comments and suggestions made by Councillor Ingleby - in determining the potential for the collection of sites of importance for nature conservation within the complex of open spaces situated either side of the Hither Green railway corridor to constitute a broader site of metropolitan importance for nature conservation (MSINC).
A4	A21 development framework	That the Committee would refer its views to Mayor and Cabinet as follows – <ul style="list-style-type: none"> • The Committee commends the work carried out by officers. The Committee recognises the calibre and high quality of the work carried out and it recommends that the development framework is adopted. • The Committee recommends that consideration be given to the future options for the framework to be strengthened through its adoption as a supplementary planning document. • The Committee believes that officers should continue to work with Transport for London in order to ensure that collaboration, coordination and funding are made available to support the development of cycling and walking infrastructure along the A21.
A5	Street environment services	That the report be noted. The Committee also agreed to take part in policy development workshops for the service.
