If you are intending to audio record or film this meeting, you must:

- tell the clerk to the meeting before the meeting starts;
- only focus cameras/recordings on councillors, Council officers, and those members of the public who are participating in the conduct of the meeting and avoid other areas of the room, particularly where non-participating members of the public may be sitting; and
- ensure that you never leave your recording equipment unattended in the meeting room.

If recording causes a disturbance or undermines the proper conduct of the meeting, then the Chair of the meeting may decide to stop the recording. In such circumstances, the decision of the Chair shall be final.
