

Decisions taken by the Sustainable Development Select Committee on Tuesday, 10 January 2023

Agenda Item No	Topic	Decision
----------------	-------	----------

Part A – Items considered in public

A1	Minutes of the meeting held on 30 November 2022	Resolved: that the minutes of the meeting on 30 November be agreed as an accurate record.
A4	Local Plan update	Resolved: that the update be noted.
A5	Climate emergency action plan	<p>Resolved: that the Committee would refer its views to Mayor and Cabinet as follows -</p> <ul style="list-style-type: none"> • The Committee welcomes the update from officers and notes the good practice on which the plan has been developed. However, the Committee is unclear about the likelihood of achieving those actions which are identified in the plan as ‘ongoing’. • The Committee recommends that the Council should seek to further risk assess, prioritise, and effectively categorise the actions in the plan. Members believe that there needs to be an enhanced focus on how and when the actions will be delivered, which may include an assessment of the work that needs to take place to achieve this. • The Committee believes that, where priority actions have already been agreed upon, then this should be clearly communicated to members and the relevant stakeholders. Furthermore, the Committee believes that consideration must be given to ensuring there is transparency around the tasks of risk assessing, prioritising, and categorising other ‘ongoing’ actions.
A6	Catford Town Centre programme	Resolved: that the report be noted.
