		<p>5. The Licensing Committee held a hearing on 24 August 2022 to consider that representation.</p> <p>6. In making its decision, the Committee has taken into account all of the papers in the reports pack and the evidence and submissions presented by the parties at the hearing. It has also taken into account the Council's Statement of Licensing Policy and the Home Office's statutory guidance.</p> <p>7. The Committee's decision is to grant the application. Its reasons are as follows:</p> <ul style="list-style-type: none"> • The proposed variation would not extend the Premises' authorised trading hours, as the proposed hours for regulated entertainment mirror that already permitted for the sale of alcohol. • The Premises have traded within its existing hours without any significant problems being reported to the responsible authorities. It is significant that no responsible authority objected to the application. • A detailed list of conditions have been agreed with the Applicant which will minimise the potential for noise nuisance. • Accordingly the Committee considers it is unlikely that granting this application will cause public nuisance and therefore it is appropriate to vary the licence as sought, subject to the conditions listed at pages 37-39 of the reports pack. <p>8. There is a right of appeal against this decision. Any appeal should be made to the magistrates' court within 21 days beginning with the day on which the appellant was notified of this decision.</p>
