

Decisions taken by the Sustainable Development Select Committee on Tuesday, 9 January 2024

Agenda Item No	Topic	Decision
----------------	-------	----------

Part A – Items considered in public

A1	Minutes of the meeting held on 8 November 2023	That the minutes of the meeting held on 8 November be agreed as an accurate record.
A4	Catford regeneration programme update	That the report be noted. It was also agreed that the Committee would request from officers a list of roles and responsibilities for development plans in Catford. In addition, it was noted that the following information would be shared: the slides from the presentation; the most recent update on the Building for Lewisham programme; the joint (Lewisham/LB Southwark/Transport for London) Bakerloo Line Extension engagement plan and information on the future operator for the CCC.
A5	Active travel	<p>That the report be noted. It was also agreed that additional information would return to the Committee in future regarding:</p> <ul style="list-style-type: none"> • The key performance indicators for the management of dockless bike hire schemes. • The communication taking place to support the roll out of dockless bikes. • Map of existing cycle ways and a commitment to provide this information to those completing cycle training. • The number of children receiving cycle training and the extent of that training.
A6	Climate emergency action plan	That the report be noted. It was also recommended that: SMART targets should be encouraged where this was possible; the matrix for prioritisation should balance cost, the likely carbon reduction impact and equalities (in order to support the most vulnerable and to emphasise the importance of social justice); an easier read version of the plan would be welcome (as would updates to the information on the Council's website incorporating the actions that individuals could take to reduce their household impact); and there should be greater integration of the annexes to better demonstrate how they relate to one another (to include clarity about what is and what is not within the Council's control)
A7	Select Committee work programme	That the work programme for the Committee's next meeting be agreed.
