- 2.2 Either party has a right of appeal to the Magistrates Court against a decision which should be submitted to the court within 21 days of the date of the decision letter.

3. Policy Context

- 3.1. Decisions by Members of the Licensing Committee should have regard to the Licensing Act 2003 and the promotion of the four Licensing Objectives at all times, which includes the following:
- Protection of Children from Harm
 - Prevention of Crime and Disorder
 - Prevention of Public Nuisance
 - Public Safety
- 3.2. Members should also have regard to the Licensing Authority's Statement of Licensing Policy 2015-19.
- 3.3. Decisions made will link in with the following objectives under the Council's Corporate Strategy – Building an Inclusive Local Economy and Building Safer Communities.

4. Financial implications

- 4.1. Applicants have the right of appeal against any decision by the Licensing Committee. Therefore there would likely be costs for the Authority in seeking legal support should an appeal be brought by the applicant.

5. Legal implications

- 5.1 The Licensing Authority is a public authority under the Human Rights Act 1998. Therefore the licensing authority is required to act compatibly with the convention rights in the exercise of their functions. Article 6 (1) of the Convention provides that everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial hearing established by law.
- 5.2 A Premises Licence is a possession for the purpose of the Human Rights Act 1998. The right to hold a licence is a qualified rather than an absolute right. Therefore the right to hold a licence may be interfered with if it affects the interests of local residents or others. Such interference may be justified if it is necessary and proportionate to promote the licensing objectives.

6. Equalities implications

- 6.1 The Equality Act 2010 (the Act) introduced a public sector equality duty (the equality duty or the duty). It covers the following protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 6.2 In summary, the Council must, in the exercise of its functions, have due regard to the need to:
- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
 - advance equality of opportunity between people who share a protected characteristic and those who do not.
 - foster good relations between people who share a protected characteristic and those who do not.

- 6.3 It is not an absolute requirement to eliminate unlawful discrimination, harassment, victimisation or other prohibited conduct, or to promote equality of opportunity or foster good relations between persons who share a protected characteristic and those who do not. It is a duty to have due regard to the need to achieve the goals listed above.
- 6.4 The weight to be attached to the duty will be dependent on the nature of the decision and the circumstances in which it is made. This is a matter for the Mayor, bearing in mind the issues of relevance and proportionality. The Mayor must understand the impact or likely impact of the decision on those with protected characteristics who are potentially affected by the decision. The extent of the duty will necessarily vary from case to case and due regard is such regard as is appropriate in all the circumstances.
- 6.5 The Equality and Human Rights Commission has issued Technical Guidance on the Public Sector Equality Duty and statutory guidance entitled “Equality Act 2010 Services, Public Functions & Associations Statutory Code of Practice”. The Council must have regard to the statutory code in so far as it relates to the duty and attention is drawn to Chapter 11 which deals particularly with the equality duty. The Technical Guidance also covers what public authorities should do to meet the duty. This includes steps that are legally required, as well as recommended actions. The guidance does not have statutory force but nonetheless regard should be had to it, as failure to do so without compelling reason would be of evidential value. The statutory code and the technical guidance can be found at:
<https://www.equalityhumanrights.com/en/advice-and-guidance/equality-act-codes-practice>
<https://www.equalityhumanrights.com/en/advice-and-guidance/equality-act-technical-guidance>
- 6.6 The Equality and Human Rights Commission (EHRC) has previously issued five guides for public authorities in England giving advice on the equality duty:
- [The essential guide to the public sector equality duty](#)
 - [Meeting the equality duty in policy and decision-making](#)
 - [Engagement and the equality duty: A guide for public authorities](#)
 - [Objectives and the equality duty. A guide for public authorities](#)
 - [Equality Information and the Equality Duty: A Guide for Public Authorities](#)
- 6.7 The essential guide provides an overview of the equality duty requirements including the general equality duty, the specific duties and who they apply to. It covers what public authorities should do to meet the duty including steps that are legally required, as well as recommended actions. The other four documents provide more detailed guidance on key areas and advice on good practice. Further information and resources are available at:
