Report title: Audit Panel Work Programme

Date: 8 September 2022

Key decision: No.

Class: Part 1

Ward(s) affected: All

Contributors: Rich Clarke, Head of Assurance

### **Outline and recommendations**

This report sets out the current proposed work plan for the Panel at its next meeting, scheduled for 9 November 2022, and an outline work programme of regular items across the municipal year.

We recommend Members **note** the Work Programme

## 1. Summary

1.1. This paper builds on a generic work programme paper presented in March that aimed to set out a 'typical' year. This paper is more specific to the work of the Panel anticipated in 2022/23 and will be developed as the year goes on. It aims to help Members plan their work and enhance the level of scrutiny they can provide across the year. Members can, and no doubt will, request additional items of specific interest throughout the year. That we will use to adapt the work programme.

#### 2. Recommendations

- 2.1. We recommend the Audit Panel:
  - Note the Audit Panel's work programme.

# 3. Policy Context

3.1. The work programme sets out papers that will come to the Panel as it discharges the responsibilities set out in its terms of reference.

# 4. Background

4.1. We have prepared this work programme in consultation with the Audit Panel Chair and relevant officers within the Council and our external auditors, Grant Thornton.

### 5. Anticipated Items for Meeting on 9 November 2022

- 5.1. This is an extra meeting added to the Panel's typical annual cycle. It is needed to accommodate the end of audit process for the financial statements, which works to a tight schedule with a statutory deadline of the end of November.
- 5.2. As a result, items will focus on those necessary to complete the external audit and conclude review of the Council's Financial Statements.
  - Audit Findings Report 2021/22. Presented by the Council's external auditors, Grant
    Thornton, this report will summarise their work and disclose to Members any material
    or significant findings, potentially including recommendations for further action. The
    report will include a draft of the auditor's opinion on the financial statements. It will be
    presented to Members to note, and bear in mind as they take a decision on whether to
    recommend approval of the financial statements.
  - Letters of Representation 2021/22: Agreeing letters required by the external auditor making certain representations required by audit standards. For example, asserting to the auditor that the Council has made available all documents it holds and provided full answers to all auditor queries.
  - **Statement of Accounts 2021/22**: The Panel will be invited to recommend the Council's Statement of Accounts for approval at full Council on 23 November.
  - Annual Governance Statement 2021/22: This document summarises the Council's governance processes and comments on their performance through the year. The Panel will be invited to recommend the statement for approval at full Council on 23 November.
  - External Audit Progress Update: A regular update from the external auditors, including progress on open recommendations.
