In accordance with the Overview and Scrutiny procedure rules outlined in Part IV E of the Council's Constitution, the Overview and Scrutiny Business Panel is required to: *Consider the proposed work programmes of each of the Select Committees and devise a co-ordinated overview and scrutiny work programme which avoids duplication of effort and facilitates the effective conduct of business.*

- 3.2 The agreed Select Committee Work Programmes are attached at Appendix A, so progress can be checked and reviewed.
- 3.3 The second round of Select Committee meetings is taking place. Some meetings were postponed (see \*) following the Queen's death:

### ***Overview and Scrutiny Committee***

- 3.5 The full Overview and Scrutiny Committee met on 21 September 2022. The main item was a report on Lewisham's response to the cost of living crisis. It was agreed that the Healthier Communities Select Committee would review the draft Food Justice Action Plan, as part of the consultation process, and look at the commitment to providing Warm Havens for residents where they can spend time when the weather turns colder; and that the Safer Stronger Communities Select Committee would review the Cost of Living programme from an equalities perspective to ensure that support is being provided in an equitable way for Lewisham residents. It was noted that the Children and Young People Select Committee would be looking at the cost of living crisis from the perspective of children and young people at its November meeting.
- 3.6 The committee also received the Mayoral response to a referral made at a previous meeting relating to the development of an Economic Development Strategy; and the Mayoral response to two of the task and finish group final reports from the last municipal year. The Committee resolved to refer the response to the recommendations of the Digital Inclusion for Adults with Learning Disabilities Scrutiny Task and Finish Group back to Mayor and Cabinet.

### ***Task and Finish Groups***

- 3.7 When the Overview and Scrutiny Committee met on 21 September 2022, it agreed to establish two task and finish groups (TFGs) this municipal year. The topics are:

***Creative and community workspaces:*** How can we maximise strategic opportunities for inclusive meanwhile, creative and community workspace in Lewisham, post Borough of Culture, to ensure that we grow and retain talent within the Borough and attract inward investment?

***Community gardening and allotments practice:*** How can community gardening and current allotments practice be expanded and adapted to increase community participation and offer more opportunities for local interactions with schools, food banks, housing associations, the voluntary sector & social prescribing services?

- 3.8 TFGs collate detailed evidence over an extended period of time, using a variety of diverse working methods such as site visits and service user and stakeholder engagement. They aim to be:

*Collaborative* – officers and councillors working together to address a topical issue of concern

*Flexible* – utilising a mixture of formal and informal meetings, visits, research, user engagement etc.

*Focussed on residents* – defining the issues and suggesting solutions on the basis of understanding residents' experience

*Focussed on solutions* – taking evidence from a wide range of sources and good practice to develop affordable, practical solutions that are evidence based and implementable and that will have a positive impact on the lives of residents.

#### **4 Financial implications**

- 4.1 Scrutiny work is managed within existing budgets. Formal recommendations to the Mayor arising out of any specific work items within select committee work programmes or considered by TFGs are evaluated in the usual way through the process of formal reports. There are no direct financial implications arising from this report.

#### **5 Legal implications**

- 5.1 There are no direct legal implications arising from this report.

#### **6 Equalities implications**

- 6.1 The [Equality Act 2010](#) (The Act) legally protects people from discrimination in the workplace and in wider society. It replaced the previous anti-discrimination laws with a single act, making the law easier to understand and strengthen protection in certain situations. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 6.2 The Act also imposes a public sector equality duty. This means that in public bodies, of which this Council is designated, they must consider all individuals in carrying out their day-to-day work when shaping policy, in delivering services and in relation to their own employees. It also requires public bodies to:
- Have due regard to the need to eliminate discrimination
  - Advance equality of opportunity
  - Foster good relations between different people when carrying out their activities
- 6.3 The Council recognises diversity is one of its strengths and is committed to creating a more inclusive community. Therefore, having due regard to the Act, is confirmation of the Council's commitment to eliminating all forms of discrimination against any group within the community and to actively promote an equality of opportunity and positive community partnership.
- 6.4 The delivery of the Council's equalities objectives is to be achieved through the delivery of all of the Council's strategies, plans and procedures. As such, all select committees and other scrutiny bodies, when planning their work and scrutinising items, bear in mind the delivery of the Council's equality objectives.
- 6.5 Scrutiny tries to make sure that its work reflects the diversity of Lewisham's communities and that the views of residents are fairly represented in scrutiny processes. Any recommendations arising from scrutiny work support the Council's corporate strategy and reflect the needs of local residents.

## **7 Climate change and environmental implications**

7.1 There are no direct climate change or environmental implications arising from this report. Each Select Committee has been asked by the Overview and Scrutiny Committee to appoint a climate change champion to work with the Select Committee Chair in order to provide a steer to report authors on how committee reports might encompass climate change considerations. The champions appointed so far are: Public Accounts – Cllr Rudi Schmidt; Sustainable Development – Cllr Sian Eiles; Safer, Stronger Communities – Cllr Mark Jackson; and Housing – Cllr Sakina Sheikh.

## **8 Crime and disorder implications**

8.1 There are no direct crime and disorder implications arising from this report.
