Timeline of decision-making

Safer Stronger Communities Select Committee Work Programme 2022/23 – draft agreed on 16th June 2022

Safer Stronger Communities Select Committee Work Programme 2022/23 – agreed by Business Panel on 19.07.22

Summary

- 1.1. The committee proposed a draft work programme at the beginning of the municipal year. This was considered alongside the draft work programmes of the other select committees and agreed by Business Panel on 19 July 2022.
- 1.2. The work programme should be reviewed at each meeting to take account of changing priorities.

Recommendations

- 1.3. The Committee is asked to:
 - To review the work programme attached at Appendix B.
 - Consider the items for the next meeting and specify what evidence is required, including being clear about the information the committee wishes to be included in officer reports.
 - To review the forward plan of key decisions at Appendix E to consider whether there are any items for further scrutiny.

Work Programming

- 1.4. When reviewing the work programme the Committee should consider the following:
- 1.5. The Safer Stronger Communities Select Committee scrutinises the Council's statutory crime and disorder function and has a responsibility for reviewing and developing policy in relation to crime and disorder, equality of opportunity within the borough, community development and the voluntary sector. The scrutiny function includes holding decision makers to account and monitoring the Council's performance
- 1.6. A key part of the Committee's role is scrutinising the Council's statutory role relating to crime and disorder and in particular the review of the Council's Community Safety Plan – the Safer Lewisham Plan. The Committee also has a role in a number of other areas including community partnership and consultation, Equalities and Libraries. The Committee has also led on aspects relating to staff such as reviewing staff survey results.
- 1.7. The Committee's full terms of reference are set out in **appendix A**.
- 1.8. Whether any urgent issues have arisen that require scrutiny. If so, consider to the prioritisation process (Appendix C) and the Effective Scrutiny Guidelines (Appendix D)
- 1.9. Whether a committee meeting is the most effective forum for scrutinising the issue. For example, would a briefing be more appropriate?
- 1.10. Whether there is capacity to consider the item - could any work programme items be removed or rescheduled?
- 1.11. Whether the item links to the priorities set out in the [Corporate Strategy for 2018-2022](#):
 - [Open Lewisham](#) - Lewisham is a welcoming place of safety for all, where we celebrate the diversity that strengthens us.
 - [Tackling the housing crisis](#) - Everyone has a decent home that is secure and affordable.
 - [Giving children and young people the best start in life](#) - Every child has access to an outstanding and inspiring education, and is given the support they need to keep them safe, well and able to achieve their full potential.
 - [Building an inclusive local economy](#) - Everyone can access high-quality job opportunities, with decent pay and security in our thriving and inclusive local economy.

- [Delivering and defending: health, social care and support](#) - Ensuring everyone receives the health, mental health, social care and support services they need.
- [Making Lewisham greener](#) - Everyone enjoys our green spaces, and benefits from a healthy environment as we work to protect and improve our local environment.
- [Building safer communities](#) - Every resident feels safe and secure living here as we work together towards a borough free from the fear of crime.

3.7 A new Corporate Strategy is currently in development, which will include a refreshed set of priorities and describe how the Council will address the social, economic and environmental challenges facing the borough up to 2026. Once this is in place, the Committee may wish to review its work programme in light of the new strategy.

3.8 The committee should also note and take into account the four strategic themes of the borough's Covid-19 recovery plan, Future Lewisham, which support what we want for every single resident and that we know are what we need to focus on locally: *An economically sound future; A healthy and well future; A greener future; and a future we all have a part in.*

The next meeting

- 1.12. The following items are scheduled for the next meeting. For each item, the Committee should clearly define the information and analysis it wishes to see in officer reports. If the Committee has designated one of its members as a climate change champion, that member should work with the Chair to ensure that officers are given appropriate steers in relation to the reports, to ensure they include relevant climate change considerations.
- 1.13. The Committee should also consider whether to invite any expert witnesses to provide evidence, and whether site visits or engagement would assist the the effective scrutiny of the item.

Financial implications

1.17. There are no direct financial implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme will have financial implications and these will need to be considered as part of the reports on those items.

Legal implications

1.18. In accordance with the Council's Constitution, all scrutiny select committees must devise and submit a work programme to the Business Panel at the start of each municipal year.

Equalities implications

1.19. Equality Act 2010 brought together all previous equality legislation in England, Scotland and Wales. The Act included a new public sector equality duty, replacing the separate duties relating to race, disability and gender equality. The duty came into force on 6 April 2011. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

1.20. The Council must, in the exercise of its functions, have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- advance equality of opportunity between people who share a protected characteristic and those who do not.
- foster good relations between people who share a protected characteristic and those who do not.

1.21. There may be equalities implications arising from items on the work programme and all activities undertaken by the Select Committee will need to give due consideration to this.

Climate change and environmental implications

1.22. There are no direct climate change or environmental implications arising from the implementation of the recommendations in this report. However, in February 2019 Lewisham Council declared a Climate Emergency and proposed a target to make the borough carbon neutral by 2030. An action plan to achieve this target was subsequently agreed by Mayor and Cabinet (following pre-decision scrutiny by the Sustainable Development Select Committee)¹. The plan incorporates all areas of the Council's work. Items on the work programme may well have climate change and environmental implications and reports considered by the Committee should acknowledge this.

Crime and disorder implications

1.23. There are no direct crime and disorder implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have crime and disorder implications and these will need to be considered as part of the reports on those items.

Health and wellbeing implications

1.24. There are no direct health and wellbeing implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have health and wellbeing implications and these will need to be considered as part of the reports on those items.

The Safer Stronger Communities Select Committee has these specific terms of reference:

Effective Scrutiny Guidelines

At Lewisham we:

1. Prioritise

It is more effective to look at a small number of key issues in an in-depth way, than skim the surface of everything falling within scrutiny's remit. We try to focus on issues of concern to the community and/or matters that are linked to our corporate priorities. We only add items to the work programme if we are certain our consideration of the matter will make a real and tangible difference.

2. Are independent

Scrutiny is led by Scrutiny Members. Scrutiny Members are in charge of the work programme and, for every item, we specify what evidence we require and what information we would like to see in any officer reports that are prepared. We are not whipped by our political party or unduly influenced by the Cabinet or senior officers.

3. Work collectively

If we collectively agree in advance what we want to achieve in relation to each item under consideration, including what the key lines of enquiry should be, we can work as a team to question witnesses and ensure that all the required evidence is gathered. Scrutiny is impartial and the scrutiny process should be free from political point scoring and not used to further party political objectives.

4. Engage

Involving residents helps scrutiny access a wider range of ideas and knowledge, listen to a broader range of voices and better understand the opinions of residents and service users. Engagement helps ensure that recommendations result in residents' wants and needs being more effectively met.

5. Make SMART evidence-based recommendations

We make recommendations that are based on solid, triangulated evidence – where a variety of sources of evidence point to a change in practice that will positively alter outcomes. We recognise that recommendations are more powerful if they are:

- Specific (simple, sensible, significant).
- Measurable (meaningful, motivating).
- Achievable (agreed, attainable).
- Relevant (reasonable, realistic and resourced, results-based).
- Time bound (time-based, time limited, time/cost limited, timely, time-sensitive).
