Dear Lewisham Licensing

I am emailing to make a representation in regards to the planned extended licence at the Royal George pub, Tanners Hill, SE8 4DA.

I live in the [REDACTED] and there is already an issue with noise after closing. Customers gather on the street outside, sitting on the benches with drinks until past closing, often staying until after midnight. I made a complaint with Lewisham council but heard nothing back. I know a number of my neighbours in Penny Fields House have also spoken to the pub landlords who have attempted to get their customers moving on more quickly after closing but unfortunately this has not made much difference. Some of my neighbours that face on to the pub have video evidence of this.

My concern (and that of my neighbours) is that with a closing time of midnight or half past midnight customers will be hanging around until 1am or later which would disturb residents in the surrounding properties.

Kind regards

[REDACTED]
