

Brockley Ward Assembly

Priority Setting for 2023/24

Priority setting methodology

December 2022

We asked the following questions:

- Which issue are you most concerned about in Brockley?
- Which issues would you like to work with others to address?
- If you could choose 3 priorities for Brockley to work towards, what would they be?

Responses were gathered via Mentimeter:

In writing:

and via an online survey:

Brockley Local Assembly - priority setting

Please tell us what you'd like to focus on in Brockley ward by answering the following questions

1. Which community issues are you most concerned about in Brockley? *

Enter your answer

All responses were reviewed and grouped by category

Fly tipping		Traffic/speeding/LTNs/pollution – working with departments	
Reduction in green space		Speeding – cameras, humps/chicanes/ collective thinking around one-way, silo thinking in council, bikes	
Dumping – education, planters, CCTV, greener/trees to encourage		Speeding - joined up thinking borough-wide	
Tree cutting/preservation	Community Group awareness/publicity	Road safety	Communication - you said, we did
Greening	Spread the word to get volunteers	Rail and road transport	Regular meetings and minutes
Retrofitting of properties (energy efficiency)	Brockley common – finding volunteers, bench, funding		Council website accessibility
	Community issues		Accountability of Council
			Debates

Four priorities were identified

1. Public Realm and Greening

2. Connecting the Community

3. Transport and Streets

4. Council communication

Via Brockley Local Assembly

Dear Brockley ward community member,

You are warmly invited to the Brockley Local Assembly meeting:

Date: Saturday 11th March 2023

Time: 2-4pm

Venue: Goldsmiths University, Richard Hoggart Building, Room 300a, SE14 6NW

Please join Brockley Ward Councillors, residents, and community organisations to:

- review the outcomes of the priority setting exercise undertaken in our last meeting
- hear from Nathan Thompson in the Environmental Crime Enforcement Team
- find out more about the Community Roadwatch scheme
- share local updates, and find out more about what is happening in the ward

We kindly request that you share this invitation with any friends, neighbours or community group

Details of our last meeting and [can be found here](#).

What next?

The Assembly will

Address at least one of the identified priorities at each meeting through:

- presentations and information sharing
- discussions and signposting
- identifying opportunities to work together outside of meetings to move things forward

The Assembly will

Regularly review the priorities to ensure they remain relevant to the ward

The Assembly will

Include a 'you said, we did' section at each meeting

The Assembly will

Continue to review ways to improve our communication to ensure we

- reach the widest possible range of people
- make Brockley Assembly as inclusive and accessible as possible
- seek the views of the whole ward including those unable to attend meetings
- are a source of useful information
- connect local groups, residents and community members to build an even stronger community

**Any questions or
comments?**
