Mr Jowett

I understand you are the manager of Emma Blackburn.

A recent spate of dye stained money being found in gambling shops in the UK resulted in a catalogue of images obtained from all the different shops of mainly the same suspect.

Myself and my colleague remarked on one particular document which was extremely thorough and gave a timeline of events. This was one produced by Emma.

We have just had the pleasure of meeting Emma Blackburn at the 0131 Green Lanes branch to collect a batch of dye stained money. We were handed the money complete with another thorough timeline cctv images document, all the relevant payout receipts, the cctv footage on a USB stick and the gaming FOBT logs for the incident.

Having dealings with a number of gaming companies we have to remark that Emma has produced the most helpful and most professional handover pack we have ever been given.

Apparently a lot of what she did was done in her own time.

She is an asset to your company.

I feel it is important to pass on compliments when they are due.

Regards

Neal
