This report gives committee members an opportunity to review the committee's work programme and make any modifications required.

The Committee is recommended to:

- Review the work programme attached at Appendix D.
- Consider the items for the next meeting and specify the information required.
- Review the forward plan of key decisions attached at Appendix E and consider whether there are any items that should be considered for scrutiny.

Timeline of decision-making

Children and Young People Work Programme 2023/24 – draft agreed on 15 June 2023

Children and Young People Work Programme 2023/24 – approved by the Overview and Scrutiny Committee on 4 July 2023

1. Summary

- 1.1. The committee proposed a draft work programme at the beginning of the municipal year. This was considered and approved, alongside the draft work programmes of the other select committees, by the Overview and Scrutiny Committee on 4 July 2023.

- 1.2. The work programme should be reviewed at each meeting to take account of changing priorities.

2. Recommendations

- 2.1. The Committee is asked to:
 - Review the work programme attached at Appendix D.
 - Consider the items for the next meeting and specify the information required.
 - Review the forward plan of key decisions attached at Appendix E and consider whether there are any items that should be considered for scrutiny.

3. Work Programming

- 3.1. When reviewing the work programme the Committee should consider the following:
The Committee's terms of reference (Appendix A)

- 3.2. The Committee's areas of responsibility, include, but are not limited to:

- Schools and related services
- Children's Social Care
- Transition for care leavers
- Youth services
- SEND provision for children and young people up to age 25

- 3.3. The Committee has a key role in scrutinising the performance and supporting the development of the council's health and care-related strategies and policies. It also has a role in engaging and reflecting the views of residents in relation to health and care-related matters.

Whether any urgent issues have arisen that require scrutiny

- 3.4. If there is any urgent issue that is brought to the Committee's attention, it should consider the prioritisation process (Appendix B) and the Effective Scrutiny Guidelines (Appendix C) before deciding on its priority.

Whether a committee meeting is the most effective forum for scrutinising the issue

- 3.5. When scrutinising an issue of interest, the Committee should consider if there are any alternative methods for receiving information on the issue that would be more appropriate. For example, would a briefing or a written summary be more effective and appropriate for the issue in question?

Whether there is capacity to consider the item

- 3.6. The Committee should consider which work programme items could be removed or rescheduled to make space for the full consideration of more important issues.

Whether the item links to the priorities set out in the Corporate Strategy

- 3.7. A new corporate strategy has been developed¹ – which sets out the Council's values, priorities and focus for the next four years (2022-2026). These are categorised under the following headings:

- Cleaner and Greener
- Strong Local Economy

¹ <https://lewisham.gov.uk/mayorandcouncil/corporate-strategy>

- Quality Housing
 - Children and Young People
 - Safer Communities
 - Open Lewisham
 - Health and Wellbeing
- 3.8. The work of the Children & Young People Select Committee will relate most closely to the 'Children & Young People' priority, which commits the Council to:
- supporting our schools to improve and increasing the opportunities for young people in Lewisham;
 - working with our schools and communities to build on the inclusive and high-achieving system of local comprehensive schools;
 - ensuring our most vulnerable children are protected from harm, driving improvement in Children's Social Care and aiming to reduce the number of children coming into care through earlier targeted support for families in crisis;
 - helping to create new breakfast clubs at schools and continuing to lobby the government to expand their free school meals programme.
- 3.9. The Committee should consider how its work programme reflects these priorities. The Committee might also consider whether there are suggestions that should be put forward for consideration in the new municipal year.

4. The next meeting

- 4.1. The following items are scheduled for the next meeting. For each item, the Committee should clearly define the information and analysis it wishes to see in officer reports. If the Committee has designated one of its members as a climate change champion, that member should work with the Chair to ensure that officers are given appropriate steers in relation to the reports, to ensure they include relevant climate change considerations.
- 4.2. The Committee should also consider whether to invite any expert witnesses to provide evidence, and whether site visits or engagement would assist the the effective scrutiny of the item.

Agenda Item	Review type	Corporate Priority
Holistic School Improvement	Policy development	Children and Young People
School standards	Performance monitoring	Children and Young People

5. Financial implications

- 5.1. There are no direct financial implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme will have financial implications and these will need to be considered as part of the reports on those items.

6. Legal implications

- 6.1. In accordance with the Council's Constitution, all scrutiny select committees must devise and submit a work programme to the Overview and Scrutiny Committee at the start of each municipal year.

7. Equalities implications

- 7.1. Equality Act 2010 brought together all previous equality legislation in England, Scotland and Wales. The Act included a new public sector equality duty, replacing the separate duties relating to race, disability and gender equality. The duty came into force on 6 April 2011. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 7.2. The Council must, in the exercise of its functions, have due regard to the need to:
- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
 - advance equality of opportunity between people who share a protected characteristic and those who do not.
 - foster good relations between people who share a protected characteristic and those who do not.
- 7.3. There may be equalities implications arising from items on the work programme and all activities undertaken by the Select Committee will need to give due consideration to this.

8. Climate change and environmental implications

- 8.1. There are no direct climate change or environmental implications arising from the implementation of the recommendations in this report. However, in February 2019 Lewisham Council declared a Climate Emergency and proposed a target to make the borough carbon neutral by 2030. An action plan to achieve this target was subsequently agreed by Mayor and Cabinet (following pre-decision scrutiny by the Sustainable Development Select Committee)². The plan incorporates all areas of the Council's work. Items on the work programme may well have climate change and environmental implications and reports considered by the Committee should acknowledge this.

9. Crime and disorder implications

- 9.1. There are no direct crime and disorder implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have crime and disorder implications and these will need to be considered as part of the reports on those items.

10. Health and wellbeing implications

- 10.1. There are no direct health and wellbeing implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have health and wellbeing implications and these will need to be considered as part of the reports on those items.

Effective Scrutiny Guidelines

At Lewisham we:

1. Prioritise

It is more effective to look at a small number of key issues in an in-depth way, than skim the surface of everything falling within scrutiny's remit. We try to focus on issues of concern to the community and/or matters that are linked to our corporate priorities. We only add items to the work programme if we are certain our consideration of the matter will make a real and tangible difference.

2. Are independent

Scrutiny is led by Scrutiny Members. Scrutiny Members are in charge of the work programme, and, for every item, we specify what evidence we require and what information we would like to see in any officer reports that are prepared. We are not whipped by our political party or unduly influenced by the Cabinet or senior officers.

3. Work collectively

If we collectively agree in advance what we want to achieve in relation to each item under consideration, including what the key lines of enquiry should be, we can work as a team to question witnesses and ensure that all the required evidence is gathered. Scrutiny is impartial and the scrutiny process should be free from political point scoring and not used to further party-political objectives.

4. Engage

Involving residents helps scrutiny access a wider range of ideas and knowledge, listen to a broader range of voices and better understand the opinions of residents and service users. Engagement helps ensure that recommendations result in residents' wants and needs being more effectively met.

5. Make SMART evidence-based recommendations

We make recommendations that are based on solid, triangulated evidence – where a variety of sources of evidence point to a change in practice that will positively alter outcomes. We recognise that recommendations are more powerful if they are:

- Specific (simple, sensible, significant).
- Measurable (meaningful, motivating).
- Achievable (agreed, attainable).
- Relevant (reasonable, realistic and resourced, results-based).
- Time bound (time-based, time limited, time/cost limited, timely, time-sensitive).
