**(f) Work programme**

- As far as possible to draw up a draft annual work programme in each municipal year for consideration by the Overview and Scrutiny Committee. Once approved, the relevant select committee will implement the programme during that municipal year. Nothing in this arrangement inhibits the right of every member of a select committee to place an item on the agenda of that select committee for discussion.
- The Council and the Executive will also be able to request that an overview and scrutiny select committee research and/or report on matters of concern and the select committee will consider whether the work can be carried out as requested. If it can be accommodated, the select committee will perform it. If the committee has reservations about performing the requested work, it will refer the matter to the Overview and Scrutiny Committee for decision.

**The Housing Select Committee has specific responsibilities for the following:**

- e) To establish links with housing providers in the borough which are concerned with the provision of social housing

## **Appendix B- Effective Scrutiny Guidelines**

**At Lewisham we:**

### **1. Prioritise**

It is more effective to look at a small number of key issues in an in-depth way, than skim the surface of everything falling within scrutiny's remit. We try to focus on issues of concern to the community and/or matters that are linked to our corporate priorities. We only add items to the work programme if we are certain our consideration of the matter will make a real and tangible difference.

### **2. Are independent**

Scrutiny is led by Scrutiny Members. Scrutiny Members are in charge of the work programme, and, for every item, we specify what evidence we require and what information we would like to see in any officer reports that are prepared. We are not whipped by our political party or unduly influenced by the Cabinet or senior officers.

### **3. Work collectively**

If we collectively agree in advance what we want to achieve in relation to each item under consideration, including what the key lines of enquiry should be, we can work as a team to question witnesses and ensure that all the required evidence is gathered. Scrutiny is impartial and the scrutiny process should be free from political point scoring and not used to further party-political objectives.

### **4. Engage**

Involving residents helps scrutiny access a wider range of ideas and knowledge, listen to a broader range of voices and better understand the opinions of residents and service users. Engagement helps ensure that recommendations result in residents' wants and needs being more effectively met.

### **5. Make SMART evidence-based recommendations**

We make recommendations that are based on solid, triangulated evidence – where a variety of sources of evidence point to a change in practice that will positively alter outcomes. We recognise that recommendations are more powerful if they are:

- Specific (simple, sensible, significant).
- Measurable (meaningful, motivating).
- Achievable (agreed, attainable).
- Relevant (reasonable, realistic and resourced, results-based).
- Time bound (time-based, time limited, time/cost limited, timely, time-sensitive).
