Dear Licencing Department,

I did email noiseandnuisance@lewisham.gov.uk and got a automatic email reply so I chose yourselves for help in the matter below, therefore:

On Saturday 7th & Sunday 8th September 2024, very loud music was being performed in the garden of The Creative Cafe. The volume exceeded the background noise and contributed to the extent that it was a nuisance to me.

It seemed very inconsiderate to perform music throughout the day from circa noon to late even and so loud without due consideration of adjacent neighbours' wellbeing.

Kind Regards,
