Key Decision	Yes	Item No.	
Ward	Various		
Contributors	Executive Director for Children and Young People		
Class	Part 1	Date:	5 December 2012

1. Summary

- 1.1 The report sets out details of nominees for appointment as Local Authority governors.

2. Purpose

- 2.2 To consider and approve the appointment of Local Authority governors detailed in paragraph 6 below.

3. Recommendation/s

The Mayor is recommended to:

- 3.1 rescind the local authority governor appointments of Mr. George Kwasniewski and Mrs. Julia Newton who were appointed to Elfrida and Athelney Primary Schools respectively at the 14th November Mayor and Cabinet meeting
- 3.2 agree to appoint the persons set out in paragraph 6; as local authority governors
- 3.3 note the information concerning the new and re-appointed governors in Appendix 1.

4. Policy Context

- 4.1 Lewisham's Children & Young People's Plan sets out our vision for improving outcomes for all children. The main purpose of a governing body is to account for the achievement of children and young people in their school. The appointment of governors is a vital element in achieving these aims.
- 4.2 The appointment of governors supports the broad priorities within Lewisham's Sustainable Community strategy, in particular those of being "ambitious and achieving" and "empowered and responsible". In

particular, governors help inspire our young people to achieve their full potential by removing the barriers to learning. The role of governors also promotes volunteering and empowers citizens to be involved in their local area and responsive to the needs of those who live there.

- 4.3 Two specific corporate priorities that are relevant pertain to “community leadership and empowerment” and “young people’s achievement and involvement”.

5. Background

- 5.1 Elfrida and Athelney are in a partnership. In order to strengthen the partnership it was agreed that Mrs Julia Newton, who is Chair of Athelney, should be appointed as Local Authority Governor to Elfrida and Mr George Kwasniewski, Governor at Elfrida, join the Athelney Governing Body. Due to an administrative error they were appointed to schools they are already a governor rather than the partner school.

- 5.2 Every governing body, under Section 19 of the Education Act 2002 and Regulations made under it, is required to have at least one representative of the Local Authority (LA) as part of its membership. A vacancy has arisen on the governing body of the educational establishments listed and a new appointment or re-appointment is required.

- 5.3 Appointments to school governing bodies are usually for a four-year term, unless stipulated otherwise in the Instrument of Government. The persons listed in paragraph 6 would serve the normal 4 years.

9 Crime and Disorder Implications

- 9.1 There are no specific crime and disorder implications arising from this report.

10. Equalities Implications

- 10.1 Lewisham Council's policy is to encourage all sections of the community to be represented as Local Authority governors. In particular, we would encourage further representation from the black community and minority groups including disabled people, who are currently under-represented as governors. The numbers of governors in these groups is kept under review.

11. Environmental Implications

- 11.1 There are no specific environmental implications arising from this report.

12. Conclusion

- 12.1 The new governors detailed in Appendix 1 are either local people or have close connections with Lewisham and view being a governor as a way of serving the local community. Every governing body, under Section 36 and Schedule 9 of the School Standards and Framework Act 1998, is required to have at least one representative of the Local Authority (LA) as part of its membership. A vacancy has arisen on the governing body of the educational establishments listed and a new appointment or re-appointment is required.
- 12.2 Appointments to school governing bodies are usually for a four-year term, Unless stipulated otherwise in the Instrument of Government. The nominees listed in paragraph 6 would serve the normal 4 years.
