Other Safer Neighbourhood Team Locations

As well as the locations shown above, there may be other bases where the borough's Safer Neighbourhood Teams work. These will only be occupied when officers and PCSOs are not out on patrol and are not public access points.

- o The facilities required to support the borough's Safer Neighbourhood Teams are provided within those buildings detailed above.

Context Issues

- o MOPAC/MPS consulted on the proposal to provide a 24 hour Front Counter at Lewisham Police Station; Standard Front Counters at Deptford and Catford and to close the Front Counters at Brockley and Sydenham. This will be implemented.
- o At least one Contact Point Facility will be provided across the borough, not including possible additional Contact Points at Blackheath BR Station, the Albany Centre, Sainsbury's and Post Office.
- o Feedback from the consultation process identified the need to provide 24/7 Front Counter facilities separate to the core custody facilities.
- o The Local Authority are keen to support MOPAC/MPS policing requirements; all opportunities will be explored further.
