1. Purpose

- 1.1 This report presents the Health and Wellbeing Board with a draft work programme (included as Appendix 1) for discussion and approval.

2. Recommendations

- 2.1 Members of the Health and Wellbeing Board are invited to:

- note the current draft of the work programme and consider whether amends or additions are necessary
- approve the work programme.

3. Strategic Context

- 3.1 The activity of the Health and Wellbeing Board (HWB) is focussed on delivering the strategic vision for Lewisham as established in *Shaping our Future* – Lewisham’s Sustainable Community Strategy and in Lewisham’s Health and Wellbeing Strategy.
- 3.2 The work of the Board directly contributes to *Shaping our Future’s* priority outcome that communities in Lewisham should be Healthy, active and enjoyable - where people can actively participate in maintaining and improving their health and wellbeing.

4. Background

- 4.1 The work programme is a key document for the Health and Wellbeing Board. It allows the Board to schedule activity, reports and presentations across the year. It also provides members of the public and wider stakeholders with a clear picture of the Board’s planned activity.
- 4.2 At the HWB meeting on the 28 January, members agreed to focus on high-level issues, undertaking more detailed reviews as and when necessary. The Agenda

Planning Group has requested that reports clearly identify the strategic context and will endeavour to group strategic items on the agenda.

4.3 The HWB has agreed that the work programme would include the following standing items:

- progress in relation to the Health and Wellbeing Strategy
- progress in relation to the Adult Integrated Care Programme

4.4 It was agreed that the work programme would be considered and approved by the Board at every meeting.

5. Work programme

5.1 The draft work programme (see Appendix 1), includes some of the key items which the Board will need to consider over the course of 2014/15.

5.2 As agreed by the HWB at its meeting on 3 July 2014, the work programme has been amended to include an update on the Autism Strategy and an update on progress in relation to a Food Summit. The items have been scheduled for January and March 2015 respectively.

5.3 The following items have been deferred from the January meeting to the March meeting:

- Children and Young People's Plan
- Autism Strategy
- Update on developing an integrated approach to Public Health in South East London.

5.4 The following items have been proposed by the Agenda Planning Group for the March meeting:

- Dementia Awareness

5.5 The Board agreed to consider a full evaluation of the Community Connections project at the end of the current funding cycle. A report has been scheduled for the July 2014 meeting.

5.6 In adding items to the work programme, the Board should specify the information and analysis required in the report, so that report authors are clear as to what is required. The Health and Wellbeing Board Agenda Planning Group may also propose items for inclusion on the work programme, and will seek approval for their inclusion from the Board.

5.7 Upon agreement of the work programme, the Health and Wellbeing Agenda Planning group will request the necessary reports and activities.

6. Financial implications

- 6.1 There are no specific financial implications arising from this report or its recommendations.

7. Legal implications

- 7.1 The Equality Act 2010 (the Act) introduced a new public sector equality duty (the equality duty or the duty). It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
- 7.2 In summary, the Council must, in the exercise of its functions, have due regard to the need to:
- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
 - advance equality of opportunity between people who share a protected characteristic and those who do not.
 - foster good relations between people who share a protected characteristic and those who do not.
- 7.3 The duty continues to be a “have regard duty”, and the weight to be attached to it is a matter for the Mayor, bearing in mind the issues of relevance and proportionality. It is not an absolute requirement to eliminate unlawful discrimination, advance equality of opportunity or foster good relations.
- 7.4 The Equality and Human Rights Commission has recently issued Technical Guidance on the Public Sector Equality Duty and statutory guidance entitled “Equality Act 2010 Services, Public Functions & Associations Statutory Code of Practice”. The Council must have regard to the statutory code in so far as it relates to the duty and attention is drawn to Chapter 11 which deals particularly with the equality duty. The Technical Guidance also covers what public authorities should do to meet the duty. This includes steps that are legally required, as well as recommended actions. The guidance does not have statutory force but nonetheless regard should be had to it, as failure to do so without compelling reason would be of evidential value. The statutory code and the technical guidance can be found at: <http://www.equalityhumanrights.com/legal-and-policy/equalityact/equality-act-codes-of-practice-and-technical-guidance/>
- 7.5 The Equality and Human Rights Commission (EHRC) has previously issued five guides for public authorities in England giving advice on the equality duty:
1. The essential guide to the public sector equality duty
 2. Meeting the equality duty in policy and decision-making
 3. Engagement and the equality duty
 4. Equality objectives and the equality duty

5. Equality information and the equality duty

- 7.6 The essential guide provides an overview of the equality duty requirements including the general equality duty, the specific duties and who they apply to. It covers what public authorities should do to meet the duty, including steps that are legally required, as well as recommended actions. The other four documents provide more detailed guidance on key areas and advice on good practice. Further information and resources are available at:
<http://www.equalityhumanrights.com/advice-and-guidance/publicsector-equality-duty/guidance-on-the-equality-duty/>
- 7.7 Members of the Board are reminded that under Section 195 Health and Social Care Act 2012, health and wellbeing boards are under a duty to encourage integrated working between the persons who arrange for health and social care services in the area.

8. Equalities implications
