## 1. Summary

This report informs members of the questions put forward ahead of the meeting to be addressed either in writing or in person.

## 2. Questions regarding Bus Issues

- a) It would be useful to have a timetable of transitioning buses to electric/hybrid (and generally quieter, less polluting) buses - particularly on routes 185, 176, 172, 171, but others would also be welcome. (*M. Abrahams, Chair of Forest Hill Society*)
  
- b) I wanted to know the policy with regard to pushchairs on buses. Can pushchairs be left standing in the disabled area if there is no wheelchair needing that area - or do all pushchairs have to be folded down inside the bus? I have been told that some drivers insist that pushchairs are folded down. (*Cllr Clarke*)
