

COUNCIL		
Report Title	Motion 4 in the name of Councillor Hall to be seconded by Councillor Muldoon	
Key Decision		Item No.
Ward		
Contributors	Chief Executive (Head of Business & Committee)	
Class	Part 1	Date: November 23 2016

"The Council welcomes the publication of South East London's Sustainability and Transformation Plan (STP). The Council also notes:

- That there is a significant shortage of funds in the NHS and social care system
- That respected think tank The Kings Fund has publicly expressed its numerous concerns over the STP process including:
 - o "Tight deadlines have made it difficult to secure meaningful involvement in the plans from key stakeholders, including patients and the public, local authorities, clinicians and other frontline staff."
 - o "Despite the focus on local ownership, key elements of the process have been 'top-down'."
 - o "National requirements and deadlines for the plans have changed over time, and guidance for STP leaders has sometimes been inconsistent and often arrived late."

Therefore, the Council resolves to:

- Request full publication of all associated documents and appendices
- Request pre decision scrutiny on changes to NHS and social care provision locally
- Require full public consultation on significant changes to any service
- Call on HM Government to provide the resources to fund good quality services across South East London
- Reaffirm its commitment to an Accident and Emergency Department on the Lewisham Hospital site"
