Daniel Pink on behalf of Lewisham Education Group - based on the government education white paper of 2016, from which the Lewisham education report was commissioned & produced, we have formulated a proactive group to address the serious nature of this report as to how it affects children of a minority background & the continuing issues of failures.

3. Sean Lowrie, a resident of Wallbutton Road, will present a petition from local residents calling on the Council to take down the mobile phone mast which they believe has been illegally installed on Forsythia House on Pendrell Road.
