<p>Ladywell Playtower selecting a restoration partner</p>	<p>Executive Director for Resources &amp; Regeneration</p>	<p>This report was not available for the original dispatch date because it required specialist advice from sources external to the Council. This added elements of complexity in obtaining information necessary to complete this report. The report is urgent and cannot wait until the next meeting of the Mayor &amp; Cabinet on December 6 2017. A decision is required so to complete the process towards appointing a preferred provider for this opportunity. Without it the building continues to maintain a high risk of further deterioration and disrepair, as well as for the potential of bidding parties to exit from the process.</p>	<p>Mayor &amp; Cabinet November 15</p>
