

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON BOROUGH OF LEWISHAM

Opinion on the pension fund accounting statements

I have audited the pension fund accounting statements for the year ended 31 March 2011 under the Audit Commission Act 1998. The pension fund accounting statements comprise the Fund Account, the Net Assets Statement and the related notes. These accounting statements have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the members of London Borough of Lewisham in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and of Audited Bodies published by the Audit Commission in March 2010.

Respective responsibilities of the Director of Resources and auditor

As explained more fully in the Statement of the Director of Finance's Responsibilities, the Director of Resources is responsible for the preparation of the pension fund's Statement of Accounts in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom. My responsibility is to audit the accounting statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practice's Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the accounting statements sufficient to give reasonable assurance that the accounting statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the fund; and the overall presentation of the accounting statements. I read all the information in the annual report to identify material inconsistencies with the audited accounting statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on accounting statements

In my opinion the pension fund's accounting statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2011 and the amount and disposition of the fund's assets and liabilities as at 31 March 2011, other than liabilities to pay pensions and other benefits after the end of the scheme year; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom.

Opinion on other matters

In my opinion, the information given in the annual report for the financial year for which the accounting statements are prepared is consistent with the accounting statements.

Matters on which I report by exception

I have nothing to report in respect of the governance statement on which I report to you if, in my opinion the governance statement does not reflect compliance with the Local Government Pension Scheme (Administration) Regulations 2008 and related guidance.
