

Sustainable Development Select Committee		
Title	Catford Town Centre regeneration	
Contributor	Scrutiny Manager	Item 4
Class	Part 1 (open)	12 September 2018

1. Background

- 1.1. The Committee has agreed that it will receive updates on the Catford Town Centre regeneration programme at every meeting in the 2018-19 municipal year. Following the recent appointment of Studio Egret West to deliver the Catford Town Centre masterplan, they have been invited to Sustainable Development Select Committee.

2. Recommendation

- 2.1. The Select Committee is asked to consider the presentation by the masterplanners at the meeting on 12 September and direct questions to the planners and officers, as appropriate.

3. Further implications

- 3.1. There are no further implications arising from the implementation of the recommendation in this report. There are implications arising from the Catford regeneration programme as a whole and these will need to be considered in due course.
